## Overview

---

The 37 Bertram is a great looking sport fishing machine with her deep V design she will cut through the water. The boat in its day was designed for blue water sport fishing. With its comfort and layout like the 2 stateroom design and galley up makes her a very roomy and comfortable fit for either a fun day with the family or a serious day of fishing's well. The galley has overhead rod storage. The master stateroom has a walk around Island berth bed and the guest cabin has bunk beds. The cabinets are light oak color with a very spacious galley area. The flybridge is pretty large as well with a large bench style seat in front of the helm. The boat has had a few nice up grades as well. Owner wants this boat sold so bring all offers. DYSID:3043179
