## Overview

---

**The S65 is the latest model in the sport range of Filippetti Yacht, signed from the Italian studio Centrostiledesign by Davide Cipriani.** The S65 is a true high performance yacht built by Fausto Filippetti and his 30 years of experience in yacht building. The S65 is aimed at the buyer looking for a sleek sporty design combined with the latest technology of engines and other features of retracting sunroof and aft deck glass door. All S65 bound for USA is purpose built with full USA specification including, electrical, air conditioning, vessel systems and engines. Two engine packages, MTU 1623 hp will guarantee the 50 kn+ speed while the MAN engine and IPS package will still guarantee the performance expected of an Italian sport yacht. The design and lines of the S65 are new and fresh to the market and built on a platform of proven performance and reliability from the Filippetti shipyard.

# DETAILED INFORMATION

---

## Main Deck

---

S65 Main deck is utilized as one space connecting the aft deck to the interior space via a glass door retracting into the deck. The aft deck is a convertible space with a seating and dining area fwd and sunpad aft. Two wide stairways port and starboard lead to the large swim platform and beach club area with a generous swim ladder and shower. LED, RGB lighting around the main deck linked to the underwater lights provides soft mood lighting. The exterior main deck is equipped with ample cup holders, ice boxes and storage expected in the market.

The interior main deck is a climate controlled area thanks to the retractable glass aft deck door. This main deck includes a smaller galley area for entertaining and a large u shaped seating and dinette area. The helm station to starboard includes all the instruments needed to control all systems from the dash board. All lighting and music is integrated into an easy user friendly system. The retractable sunroof combined with the aft deck door quickly transforms the space into an open express cruiser.

## Accommodations

---

**Accommodation Area:** Lower deck accommodations include three cabins sleeping six guests. All cabins on lower deck have personalized climate control and TV / entertainment systems. All lighting is LED soft lighting throughout. Flooring is carpet in all cabins and wood in galley area. Wood flooring through out can be optional.

**Master Cabin:** The master cabin aft is a full beam master with optional seating area or additional draws and storage. Storage under the main bed and floor to ceiling glass hanging lockers forward provides ample storage. A large ensuite has large glass enclosed shower and wash basins with full size head.

**Galley:** Area includes cooktop, fridge/freezer sink and counter space for food preparation. Storage above the cooking area and under the floor.

**Twin Cabin:** The twin cabin has storage under and above the beds with center night table. The cabin has an ensuite to port with glass enclosed shower and wash basin with full size head.

**VIP:** The large cabin has a full size bed with ample storage underneath and a hanging locker to starboard. The VIP has large panoramic windows and an emergency escape hatch to the forward deck. The VIP has a large ensuite to starboard with glass enclosed shower and wash basin with full size head.

---
