Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Modified V-Hull

Hull Color: Purple Yellow

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: SC

Engine Type: I/O

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Overview

The Fountain 38 Lightning with integrated Generation III Super Ventilated Positive Lift. A hull design, perfectly tuned to our pad keel, notched transom, improved air induction systems, and the precise combination of step location and angles of attack has made our 38 untouchable. In fact, it is now four mph faster than our earlier model, with improved handling and acceleration. Reach eye watering speeds in excess of 100 MPH with twin 575 MerCruisers. The 38 also comes standard with a color coordinated dash, throttles, bezels and wheel. This fine vessel also ruled the Factory II racing circuit!

Hull Features

- Hand laid composite hull and deck manufactured w/multi-directional fiberglass, w/high density coring and interplastic vinyl ester resin w/hull and deck laminated, thru bolted, screwed and sealed together w/heavy duty marine sealant/adhesive

Remarks

This high performance 2005 Fountain was purchased new but in 2008 from the dealers showroom. This was his fourth Fountain. CONCUBINE has been lightly used by original owner, lift kept behind his home but does not use it much. Owner's dock is available for rent to whomever is interested in keeping the boat in Pompano. Serious seller! Easy to see in Pompano Beach, FL. Contact Susan Kipta

Exclusions

Owner's personal belongings.
