SPECIFICATIONS

Overview

This 2007/2010 Northern Bay 38 is a real Down East Lobster boat transformed into a beautiful pleasure fishing and cruising boat.

It has a very fast S bilged hull that gives a smooth, stable and seaworthy ride, allowing economical top and cruising speeds with a single engine.

“Obsession’s” hull was built by Northern Bay in 2007 and purchased by present owner and finished in Connecticut at owner’s shop and launched in June of 2010. She was built with an extra 3/4” Nida core laminate inside hull to stiffen.
