SPECIFICATIONS

Overview

Stephens Yachts were built in Stockton California, the quality of their build lead them to be called the west coast Burger. This example features low hour Caterpillar D334 tractor engines, mated to Twindisc transmissions with Mathers MicroCommander controls, Wesmar bow thruster and Vosper fin stabilizers. As a live-aboard nothing is lacking, including a electric fireplace in the salon! The galley remodel includes new counter tops, modern full size appliances including a dish washer and wine cooler!

Storage abounds with custom drawers, large pantry and cupboards everywhere with a beautiful wood finish. The master stateroom has a queen island berth that is surrounded by closets and storage, the vanity has custom fixtures and the ensuite head with shower finishes a beautiful stateroom. The forward stateroom has berthing to starboard and full size washer and dryer to port. The large pilot house features up dining with storage for all your dinner ware and more. The helm has excellent visibility and all controls are properly positioned. DYSID:3044300

Basic Information

Category: Trawler

Model Year: 1969

Year Built: 1969

Country: United States

Dimensions

LOA: 54' 0" (16.46m)
