## Overview

---

The Swan 77 was a response from Nautor's for the discerning owner who required a larger sailing yacht. The performance enjoyed by the racing yacht owner became accessible to those who required a very high degree of interior comfort and accommodation. German Frers and Nautor have achieved a very special yacht with remarkable speed and power. She has the accommodation of a larger cruising boat with the agility and handling of a thoroughbred, even with a smaller crew. Callisto is presented in excellent condition having been based in Greece most of her life, she is very well maintained by a knowledgeable Captain and the owner has been keen to make sure that her maintenance is to "Swan" standard. The interior presents very well and her machinery and systems have been upgraded and well maintained. The asking price reflects the fact that the teak deck is original and viewing is recommended.
