Brokers Comments:

This is a really clean Edgewater that has some new electronics with twin 250 HP Yamaha Four Strokes with only have 271 Hours. The owners prior boat was larger. They purchased this Edgewater thinking they wanted to move down in size only to find out they like the feel of the bigger boat.

Their change in plans have made this boat available. Recent detail, some new electronics, new rocket launcher, and new riggers just to name a few of recent upgrades. She is Air Conditioned and ready to go.

I look forward to showing her to you so please call for an appointment as she is not at our location.
