SPECIFICATIONS

Overview

A prime example of a very well-maintained vessel, "Great Escape" shines in every light, both literally and figuratively. Properly equipped with bow and stern thrusters, updated HybridTouch Raymarine electronics, new eisenglass on the bridge, new bow cushions, a recent service on the dinghy, and much much more - she's as turn-key as they come.

Impeccably cared for (and it shows everywhere) this 2006 58 Sedan Bridge offers a 3-stateroom layout with a beautifully appointed and tastefully designed open floorpan interior that includes a spacious salon, large galley and comfortable dining settee for 6. With the current owner the boat has enjoyed the benefits of an open checkbook policy and meticulous mechanical and cosmetic upkeep.

Easy to view in downtown Sarasota at Marina Jack, she's ready for her next owner to begin their adventures aboard.

DETAILED INFORMATION

Manufacturer Provided Description

More powerful and adventurous than any other yacht in its class, the 58 Sedan Bridge is ready to take command of the water. Its bold, dynamic styling includes a fiberglass hardtop as well as the very latest in marine electronics. Driven by powerful twin MAN V8 diesel inboards, this Sedan Bridge has a higher fuel capacity than most yachts in its category, plus all the strength and durability you'll need for exploring rougher waters.
