SPECIFICATIONS

Overview

The Tiara 4300 Sovran built with Volvo Penta's Inboard Performance System challenges every assumption about what a boat can be by changing the future of performance while elevating enjoyment of the boating experience. The 4300 Sovran's, dramatically reduced noise and vibration allow conversations in comfort while underway. Because Volvo Penta's IPS releases up to 25% fewer emissions, owners enjoy diesel power performance, economy and durability without exhaust smoke, noise or vibration. In fact, Volvo Penta's IPS in the Tiara 4300 Sovran delivers 25% better fuel efficiency resulting in fewer trips to the fuel dock, increased speed, acceleration and extended cruising range. The 4300 Sovran also integrates the Volvo IPS Joystick control that puts unmatched low-speed maneuverability at your fingertips. With a single, subtle movement of the IPS Joystick, you command the IPS propulsion units to respond in any direction. This gives you the power to maintain control of your 4300 during tight-quarter docking, coming about, reversing or even moving sideways - all without the need for a bow thruster. Most importantly, because IPS takes up 25% less area in the 4300 Sovran, the design team was able to use the available space as a full second stateroom with head. Design keys such as vessel sinks and shower partitions, an optional washer / dryer, a full-size refrigerator / freezer, even a spice rack and voluminous storage are but a few of the new options you will find. And the cockpit seating is both inviting and comfortable - a perfect environment for the cruising lover.

Basic Information

Category: Cruiser

Model Year: 2006

Year Built: 2006

Country: United States

Dimensions

LOA: 43' 0" (13.11m)

Beam: 14' 9" (4.50m)

Max Draft: 3' 7" (1.09m)

MFG Length: 45' 3" (13.79m)

Speed, Capacities and Weight

Displacement: 26800 Pounds

Water Capacity: 110 Gallons

Holding Tank: 50 Gallons

Fuel Capacity: 375 Gallons

Accommodations

Total Cabins: 3

Total Berths: 6

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo
