SPECIFICATIONS

Overview

Galeon's new flagship, the 780 Crystal is set to premiere in 2011. Design maven Tony Castro drew up the shipyard's biggest yacht to compete with the best in its class. The elegant and modern exterior features an optional coloured hull, a glass panel roof over the helmsman station and a jacuzzi on the flybridge. Like any charmer, the 780 Crystal still has a few more surprises up its sleeve; you'll just have to wait for the premiere.
