DETAILED INFORMATION

Vessel Information

SOUL MATE (a 2007 Lazzara 80 Skylounge) is truly a one-of-a-kind Lazzara. As a 2007 model she is the latest model year Lazzara 80 you can buy. Having recently undergone a complete paint job (2016) and all new interior decor (2015) she looks as good as the first day she was delivered. Furthermore with her walk around main decks, Skylounge flybridge and dual transom personal watercraft storage, this is a yacht that has never been duplicated.

SOUL MATE not only is a one-of-a-kind but she also utilizes the finest components available. From the CAT C-32's to the dual Onan 27.5 generators to the TRAC stabilizers this yacht comprises the most premium equipment available. And since it has been captain maintained from launch SOUL MATE is perfectly ready for her summer Caribbean cruise. One of the great features of SOUL MATE are her full walk around decks which practically go unnoticed because of the massive amount of space still afforded the Main Salon. Both you and your crew will love having the ability to easily navigate the outside of the yacht without interrupting anyone in the Main Salon. Not to mention a very clever storage compartment custom designed into the deck for the boarding ladder, makes retrieving it and storing it simple. The owner of SOUL MATE has spared no expense in maintaining her and has had a crew of 2 from day one. Don't miss this opportunity to have your expectations exceeded in this remarkable yacht.
