ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

The refined and inviting layout in the 92 Viking "Miss Money Penny" reflects the combined talents of a manufacturer with over 50 years experience and an owner with dozens of new yacht builds and purchases in his yachting career.

Highlighted by a salon/galley/dining area that rivals those found in 100'+ yachts, the living areas are expanded to include an aft deck, enclosed flybridge/lounge, and a one of a kind L-shaped seating/dining deck aft on the flybridge level. Cleverly designed, this area provides a birds eye view of the cockpit, which is fish equipped, and features an elevated mezzanine to view the action.

The five stateroom plus crew accommodations layout below is the envy of the industry. The full beam master suite is amidships and features a custom SLEEP NUMBER bed/mattress, oversized 65" TV, his & hers heads with a luxurious shower between, large vanity area, couch, and a huge walk-in closet.

Guests are accommodates very nicely in four ensuite cabins; queen VIP forward, queen VIP to starboard, a twin lower berth cabin forward to port and a double berth cabin aft to port.

The laundry center is accessed from the companionway aft to starboard and there is a handy large linen locker in the companionway. On the main deck, forward of the galley is an additional storage pantry with an optional lower berth for overflow crew use. The very convenient and functional day head is forward of the dining area and port. Access to the enclosed flybridge lounge is provided via a custom stair aft to starboard in the salon. A handy wet bar with a clear cube icemaker is incorporated into the lower stairs, for easy access from the salon or aft deck. Access to the aft deck from the salon is through two centerline sliding doors which are electronically actuated.

Accessed from the cockpit, the crew accommodations feature upper & lower berths in a cabin to port. Private head and shower facilities are in a separate room to starboard. A washer/dryer combination unit, microwave/convection oven, and a refrigerator are offered as additional crew amenities.

Decor Upgrades

Numerous custom décor selections were incorporated into this yacht such as upgraded tile, lighting, fabrics, bedding (including a Sleep Number adjustable mattress in the master suite), granite, backsplashes, hardware, flooring, and wall coverings. The result is a luxurious, understated, and welcoming yacht
