## Overview

---

“Our Trade” is an ultra- clean and well equipped 2015 42 Viking Sport Tower. The preferred Sport Tower design offers protection from the weather as well as a stylish profile. The Fiberglass deckhouse fully opens to 120-square-foot cockpit with mezzanine seating, while a hard roof overhang shields the spray and sun. “Our Trade” is fitted with a Palm Beach Tower and full Atlantic Marine Electronics package as well as a water maker, ice chipper, Helm A/C, SAT TV, and much more. She also has many customized options to provide the best boating and fishing experience as well as safety and comfort.

This late model Viking Sport Tower has only 350 hours on the 600 horsepower Cummins QSCs with ESC till 10/19 that covers both mains AND the Zeus drives. Accommodations below feature a walk- around custom queen size bed in the master stateroom forward and a very spacious salon and galley with a twin berth stateroom aft.

Prop Speed and Bottom Job just done in September of 2017.

If you are looking for a meticulously maintained, lightly used, and properly equipped late model Viking with engine/drive warranties, look no further!
