SPECIFICATIONS

Overview

5 Star is a very well maintained, **One owner**, 2 cabin Beneteau 49. The Berret Racoupeau 49 design has a very efficient hull, her long waterline length 43'8" put this boat in the 9 knots range. The moment you step on board you notice the finishing touches such as the great cockpit table with folding leaves and the Iroko cockpit floor. For easy sailing and reduced crew, this boat has electric genoa winches within reach of the steering stations. There is also an electric maneuvering winch on the port side cabin house. The bimini and dodger are keeping the cockpit in the shade and out of the weather. To get down below you enter through a set of louvered doors, when the doors are closed they allow for ventilation of the interior. When the doors are opened they latch to the side out of the way. The interior is designed stylish by Nauta. The wood is Alpi Moabi which makes for a beautiful consistent look. The upholstery is French leather, which is very durable and looks great and feels very thick and rich. This 2 cabin layout has a unique feature, the aft cabin is custom modified to hold a small pilot berth or child room. The divider is manufactured in such a way, that it can be removed and brought back to the original aft cabin, with the exception that there is now a second door accessible through the galley and a handy storage area and berth, all was done professionally with Beneteau parts. The aft head and shower have access to the aft cabin and salon. The salon feels roomy and has a great salon table that folds out to create a larger dining table for 6. The large forward cabin has its own electric head and private shower and a very roomy queen size island berth.

- Stainless anchor
- Spectra Watermaker
- French leather upholstery
- Gennaker
- 6 Person Winslow life raft
- Class A GPS EBIRB
- Whisker pole
