## Overview

---

The "I-Beam" is a very rare find in today's express sportfishing market. She is one of only a few of these boats that were built by Master Marine, and they are well sought-after, especially in the South Florida and Bahamas marketplace. "I-Beam" was re-powered with 2009 Cummins 6BTA 330 hp diesel engines with only about 1000 hours on them. She is equipped with a diesel generator, cabin AC/heat, enclosed head with shower, and functional galley. Her fully enclosed helm deck features 2 "L-shaped" settees to port and starboard, a pedestal helm seat, teak decking, and a full array of electronics. She is a fishing machine! Easy to see in Rudee Inlet in Virginia Beach, VA. Owner is looking to move up, and offers this pretty rig at an attractive asking price.
