Basic Information

Category: Motor Yacht

Model Year: 2005

Year Built: 2005

Country: United States

Dimensions

LOA: 64' 0" (19.51m)

Beam: 18' 3" (5.56m)

Max Draft: 4' 8" (1.42m)

Speed, Capacities and Weight

Displacement: 116700 Pounds

Water Capacity: 265 Gallons

Holding Tank: 95 Gallons

Fuel Capacity: 1515 Gallons

Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3412E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

The 64 features a full beam salon and a very large galley, while providing an ample 10 inches of side decks for comfortable access to the bow. The spacious salon opens into the galley, dining area and pilothouse, providing for an expansive living area. The full glass and stainless-steel salon door allows the aft deck to be an extension of the salon. Inside the salon, genuine black cherry wood veneers can be finished in satin or high-gloss to perfectly complement the yacht's reveal-style cabinetry and decorative soffit overhead. The large salon windows offer an expansive view, while Duettes recessed into pockets provide privacy.

A spacious port guest stateroom features side-by-side twins, while bow stateroom features a queen berth hinged with cedar-lined storage. The full beam master stateroom is located amidships and features a king size berth with cedar lined storage.

Throughout the boat, air conditioning spills over the soffits running down the hull sides of each area, allowing the flow of air to spread over the entire length of the room. Air returns are routed through the cabinetry where possible to keep the headliner clean. All heads are equipped with an air-conditioning vent, full Plexiglas mirrors, bowed wood cabinets, solid-surface counter tops and back splashes, Amtico flooring, wood baseboards and high-quality fixtures as standard equipment.

Salon

Comfort and luxury abounds in this spacious salon. The twin barrel chairs and custom-designed leather lounge with accessible storage beneath. Custom coffee table with hi gloss cherry and glass top. The entertainment center features a large TV mounted forward and to port, making it visible from all parts of the salon. The entertainment center features a 37" Pioneer plasma TV with AM/FM "Surround Sound" stereo receiver with DVD/CD player and master distribution center, KVH Tracvision, Marantz & Denon A/V surround sound with receivers, and Polk stereo speakers. Xantech control system throughout boat. Situated between the twin club chairs is a convenient cabinet with plenty of bottle and glass storage. The AC electrical panel is also located next to this cabinet.

- Genuine Cherry wood bulkheads with high-gloss polyester finish
- Carpeting with runner
- Whisper Wall headliner
- Fluted wood valances and Duette blinds in recessed pockets
- Accent lighting in valances
- Storage cabinets along port side
- Two custom lamps
- Fixed frameless windows with tinted safety glass
- Telephone outlet and telephone
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- SMXir Climate control
- Designer throw pillows
- Framed artwork

Galley/Dinette

Just three steps up from the salon is a spacious galley, dining area and lower helm station. The fully equipped galley features 4 under-counter drawer Sub-Zero refrigerators and freezers with ice maker, Sub-Zero wine chiller, Sharp microwave/convection, Whirlpool four-burner ceramic cook-top, stainless sink with garbage disposal, granite counter tops and back splashes, Amtico flooring, Panasonic VIERA TV mounted overhead and storage above and below countertop.

Directly across from the galley, is a raised U-shaped dinette, covered with beige and black ostrich vinyl, 5 large storage drawers underneath. The large cherry high gloss table provides plenty of dining area with 2 folding leafs. Mounted on twin stainless-steel pedestals, the table also hinges for easy access to this comfortable seating while underway. The lower helm station allows room for plenty of guests. The lower helm area features CAT single-lever controls, a GPS/plotter/Radar, autopilot, VHF, and depth/speed gauge. To starboard, a pantograph door provides easy access to the side decks. By the door is another storage cabinet with 4 drawers, matching granite top and SMXir Climate Control.

Stairwell and Companionway

A central spiral stairwell accessible from the galley/pilothouse area leads to the lower deck. To port is the CAT Backup controls to starboard are (3) large storage cabinets and in front going down in a cabinet space is the DC Breaker panels and TV receivers and DVD equipment. Upon reaching the companionway to starboard is the Whirlpool stackable washer and dryer. To port is entrance to the day head, flush panel door with door stop to master stateroom, guest staterooms and guest head. •Carpet with runner •Whisper Wall headliner, Whisper Wall panel bulkheads •Portable "drychem" and fire extinguisher, U.L. approved type in compliance with United States Coast Guard and ABYC standards •Washer/dryer •DC light fixtures •Lighted stairway to pilothouse/galley •Central vacuum

Master Stateroom

The full-beam master stateroom features a tray ceiling providing 83" of headroom. Oval port lights to port and starboard provide an abundance of natural light as well as an emergency escape. Twin nightstands, dressers and wardrobes mirror each side of the king-size berth. The berth features cedar-lined storage accessed by gas-assisted cylinders. Dual hanging lockers add to the tremendous storage in this stateroom. For entertainment, there is a Sharp 20" LCD TV, stereo and CD/DVD player. The master head features a tub, bowed cabinetry and Plexiglas mirror fascia's above.

•Genuine cherry wood and padded panel bulkheads, high-gloss polyester finish

•Carpeting •Whisper Wall headliner •Upholstered berth base •Fluted wood valance with fixed Roman shades and Duette blinds •Air conditioning dispersed through decorative fluted wood cornice, port and starboard •King-sized tapered berth with upholstered headboard •Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets, designer fabrics •Port light, port and starboard •Twin cedar-lined wardrobes with doors and automatic lights •Nightstands with drawers •Storage locker with light •Polk stereo speakers with volume control

Master Head

•Electric freshwater head •Amtico flooring •Mirrored ceiling with recessed lighting •Wallcovering •Solid-surface Corian countertop with backsplash, side splash and integral sink •Baseboards •Fiberglass tub with shower, with full glass enclosure, door and automatic sump pump •Storage cabinet with mirror •Genuine cherry wood base cabinet with high-gloss polyester finish, storage and Plexi-mirror around forward cabinet •Towel bar •Tile flooring with black diamond accents •120-volt AC air freshener blower •AC and DC light fixtures •AC duplex outlet •Air conditioning vent •DC low level lights under toe kicks •Holding tank 3/4 full indicator light

VIP Forward Stateroom

•Queen-sized tapered berth with upholstered headboard and cedar-lined storage underneath accessed via pneumatic cylinders •Upholstered berth base •Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets, designer fabrics •Carpeting •Whisper Wall padded panels on hull side •Whisper Wall headliner •Wallcovering •Genuine cherry wood bulkheads with high-gloss polyester finish •Full-length mirror •Nightstands, port and starboard •Mirrored forward bulkhead •Rope storage locker with divider •Cedar-lined hanging locker with door and automatic light, port and starboard •Screened overhead hatch with privacy cover •Polk stereo speakers with volume control •AC and DC light fixtures •AC dimmable lights •AC duplex outlets •Private access to head •Overhead storage cabinets port and starboard •Smoke detector •DC low level lights under berth •Air conditioning dispersed through decorative fluted wood valances, port and starboard •SMX HVAC compartment controlled •Carbon monoxide detector •SHARP flat screen TV

Guest Stateroom-Port

•Genuine cherry wood and padded panel bulkheads with high-gloss polyester finish •Carpeting •Whisper Wall headliner •Side by side twin berths with storage under outboard berth •Polyfoam mattresses, spreads, throw pillows, pillows, pillow shams, mattress pads and sheets, designer fabrics •Fabric headboard •Cedar-lined hanging locker with door and automatic light •Full-length mirror •Aft bulkhead mirror, above

headliner • Polk stereo speakers with volume control • AC and DC light fixtures • AC dimmable lights • AC duplex outlet • Smoke detector • Air conditioning dispersed through fluted wood valance • Nightstand with drawers • SMX HVAC compartment controlled • Carbon monoxide detector

Guest Heads-Forward & Port

• Electric freshwater toilet • Amtico flooring • Wallcovering • Mirrored ceiling with recessed lighting • Solid-surface backsplash, side splash and Corian countertop with integral sink • Baseboards • Stall shower, circular with seat, sliding door and automatic sump pump • Towel bar • Storage cabinet with (2) door mirrored medicine cabinet • Genuine cherry wood base cabinet with high-gloss polyester finish and storage

Crew Quarters and Utility

There is a watertight door on the centerline of the transom giving access to the crew cabin/utility space and engine room. The crew /utility space can also be accessed from a hatch on the centerline of aft deck or by lifting the flybridge stairs. There is a single bed to port with drawer storage. This area also includes a head, shower, sink and vanity. Climate controlled with A/C and heat. Sharp Tracvision TV, CD/DVD. There is plenty of storage in this utility space including a fully equipped Craftsman tool box. Engine room is accessed through a separate door.

Pilothouse

• Padded panels, mullions and genuine cherry wood bulkheads • Amtico flooring • Whisper Wall headliner • Pantograph door to starboard side deck with lock • Safety glass • Steps with lights to lower companionway • Intermittent electric windshield wipers/washers with controls • Windshield cover for privacy • Hydraulic power-assisted steering • Integrated controls (electronic) with emergency back-up and engine synchronization • Compass with dimmable light • Control station with all necessary switches and dimmable lighted instruments • Electric fuel level gauges • AC distribution panels • DC electronics panel • AC switching panel • AC and DC light fixtures • AC dimmable lights • AC duplex outlets • Welded and polished 316L stainless-steel steps to flybridge • AM/FM stereo receiver with CD/DVD player • Polk stereo speakers • AC and DC light fixtures • AC dimmable lights • AC duplex outlets • Telephone outlet • SMX HVAC compartment controlled • Carbon monoxide detector

Electronics-Upper and Lower Station

• 5" Ritchie compass • Autopilot, SIMRAD AP26 • Radar, Furuno Navnet 72 mile • GPS

Furuno Navnet •GPS, Northstar 6000i •Chart plotter in both GPS •VHF Icom M-602
 •VHF standard Horizon •Depth finder SIMRAD IS15+GPH •Speed log in GPS •SW
 Temperature Furuno Navnet •CCTV system w/Cameras in engine room and aft deck
 •ACR Spotlight •EPIRB

Additional Electronics-Audio Visual

•Pioneer TV with Denon DVD Player in salon •Sharp TV w/Panasonic Blu-ray in MSR
 •Sharp TV's Port and VIP Staterooms •Sharp TV with Denon DVD in crew quarters
 •Panasonic TV in galley •(2) Panasonic DVD 5 disc Changers •KVH Tracvision w/multiple
 receivers •Xantech Control system with zones throughout boat •Marantz & Denon
 A/V surround sound receivers below helm

Flybridge and Deck Equipment

•The bridge deck is conveniently accessed via the fiberglass stairwell from the aft deck
 or from a stainless steel stairwell from the galley/pilothouse area. •Painted
 (polyurethane) aluminum radar arch with masthead light and anchor light •Pipewelder's
 molded hardtop, 4 side enclosure with aft white texaline screen (enclosures in excellent
 condition) •Adjustable helmsman and companion seats with covers (Pompanette deluxe
 series) •L-shaped lounge with vinyl-covered polyfoam cushions, covers and storage
 below •Dry bar with U-Line refrigerator, storage and molded countertop •High gloss
 teak cocktail table with cover •Black diamond carpet on bridge •Helm cover •Tinted
 acrylic windshield •Control station with all necessary switches and dimmable lighted
 instruments •Compass with dimmable light •Single-lever clutch and throttle controls
 (electronic) with engine synchronization •Hydraulic power assisted steering •Hinged
 door to pilothouse •Poly-planar stereo speakers with volume control •Welded and
 polished 316L stainless-steel stairs from pilothouse to bridge •Molded-in stairs to aft
 deck with hatch •DC low level lights •Neutral interlock switches allowing engine to start
 in neutral only •Aft, the bridge deck features a TECH 1100 pound Nautical Structures
 davit with full powered functions •13' Nautica RIB Tender with 60 HP Yamaha 4 stroke
 with cover new in 2016

Sport Deck

•Centerline door to engine room •Molded fiberglass with non-skid sole swim platform
 •Freshwater wash-down outlet with hose connection and Hatteras patented quick
 disconnect •Welded and polished 316L stainless-steel railing •Molded-in fiberglass steps
 with DC courtesy lights to aft deck •(2) Pop-up cleats •316L stainless-steel re-boarding
 steps to deck •Telephone/CATV inlets •Twin retractable Glendinning 50' shore cords

Aft Deck

- Teak deck ½" in excellent condition
- Teak Hi Gloss table full width w/cover, HD stainless pedestals
- Full width transom seating with Sunbrella cushions and throw pillows in tan and black
- Teak (2) Tri-Fold chairs, seat and back cushions with head rest (matching Sunbrella fabric tan and black)
- AC duplex outlet
- AC recessed lighting in hardtop
- Molded fiberglass steps with teak treads to side decks
- Molded fiberglass steps with courtesy lights to sport deck
- Welded and polished 316L stainless-steel gate to sport deck
- Mini drop out clutch and throttle wing controls on portside

Deck and Hull

- Genuine cherry wood interiors
- 316L stainless-steel re-boarding steps to deck
- Welded and polished 316L stainless-steel anchor chute and roller
- 75-pound polished stainless steel plow anchor, anchor line and deck hawse pipe
- Windlass, 1700 pound with 25 feet of Acculoy hot-dipped galvanized chain and 300 feet of rope with deck-mounted control switches
- (4) Polished 316L stainless-steel spring line cleats with chafing strips, drilled and tapped in aluminum backing plates
- Bow and stern polished 316L stainless-steel cleats, drilled and tapped in aluminum backing plates
- Welded and polished 316L stainless-steel rails on bow, side-deck and flybridge, drilled and tapped in aluminum backing plates
- Boarding gates, port and starboard side decks
- Remote controlled searchlight
- Fog bell
- Dual air horns
- Zincs on rudders and shafts
- Bow and stern staffs with ensign and pennant
- (6) Black braided mooring lines
- Alloy 22 high strength propeller shafts, 3.5 inches
- Manganese bronze dripless shaft and rudder seals
- (8) Life jackets
- Life ring
- Portable "drychem" fire extinguishers (7), U.L. approved type in compliance with United States Coast Guard and ABYC standards
- 316L stainless-steel trim tabs
- Integral manganese bronze struts and Alloy 22 HS shaft with zincs
- Stainless-steel rudders
- 7-blade propellers, Nibral high performance
- MarQuipt Tide Ride eight step sea stairs with storage brackets
- Sunpad on bow deck
- Central vacuum (2 outlets)
- Dual prop bow thruster, 16-hp hydraulic
- Davit, 1100-pound, fully hydraulic
- Walk around side decks
- Holding tank with sewage pump and overboard discharge
- (3) Black fenders
- Pop up cleats (2) on swim platform
- Fender tracks
- Deck plates for fuel and water fills and waste pump-out
- Heavy duty bronze engine couplings
- Engine and generator exhaust exits through hull side near transom
- Underwater lights
- Electronics mast on hardtop

Engine Compartment and Bilge

- Caterpillar 3412E engines (680 original hours 2/17)
- Twin diesel, freshwater-cooled main engines with ZF marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, dual Racor fuel filters and seawater strainers
- (2) 21.5kW freshwater-cooled Electronic Quiet Diesel Onan generators (Port 541 hrs Starboard 539 hrs 2/17) with shock mounts, sound enclosure, seawater strainer, remote start,

Racor fuel/water separator, hour meter and water lift mufflers •Watermaker FCI 800GPD model #A826 •Water manifold with centralized shut-off valve for sinks and showers •Pultruded fiberglass rudder shelf with stainless-steel rudder tie bar •AC fluorescent lights •DC lights •DC exhaust blower •FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals •Fiberglass air intake system for engine room and engine combustion air with baffling and filters to minimize water intrusion •Polyethylene water lines •Electric fuel transfer system with filtration and dry tank protection for pump •Freshwater fill hose for engines and generator •AC compressed air system with airline and regulator •Dockside water inlet with pressure regulating valve and Hatteras patented quick disconnect •24-volt DC bilge and sump pumps: five at 2000 gph and three at 3700 gph, with heavy duty float switches and protective guards •Bronze/chrome ball-valves through-bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout •Pressurized 230 volt AC freshwater pump with central charcoal filter •Fiberglass water tanks, constructed with FDA approved resin, with bronze fittings •Sewage holding tank with 24 volt DC sewage pump, plumbed for dockside pump-out with 3/4 full display and alarm as part of systems monitor programmable logic controller •Racor oil change system for both main engines and generator fuel filter/water separator, generator •Sealed shower sump, one each •Electric fuel priming pumps, 24 volt DC, engines •AC distribution panel •DC distribution panels •Painted polyurethane engine room and bilges with rubber deck mat between engines •Air conditioning compressors and pumps •United States Coast Guard type A1 U.L. Marine approved fuel lines •Discharge sea chests •1" stainless-steel steering tie bar with pivoting self-aligning ball joint connection at all cylinder and tie bar connections •Insulation in deck •Pick-up sea chests •Digital monitoring for main engines in battery panel •Start and stop switches and hour meter

Electrical System

•30 gallon electric water heater •(2) 24 volt banks of heavy-duty, 12 volt marine batteries (4) mounted in fire retardant fiberglass boxes new in 2016 •Gel/lead acid compatible 240 volt automatic programmable battery charger, 50/60Hz •Automatic battery paralleling system with switch at control console •(2) 240 volt, 50 amp, transformer connected retractable shore cords with over-current protection, port sport deck •AC and DC light fixtures •Battery control panel with fuses and isolation switches •DC electronics panels with magnetic circuit breakers •AC distribution panels with magnetic circuit breakers •AC switching panel with source selector switches, digital volt meter, ammeter, frequency meter, generator start/stop controls, voltage boost tap switch and interlock selector breakers •Systems monitor with programmable logic controller read-out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke detectors and holding tank 3/4 full monitor •Navigation lights, U.L. certified to United States Coast Guard and ABYC

specifications •Ground fault protection on AC receptacles and lighting circuits •Air conditioning, 86,000 BTU, with reverse cycle heating, with A/C compressors, individually controlled by SMX controls in each compartment •Telephone/CATV inlet, one each, port sport deck •Telephone and CATV shoreline cord, one each •TV antenna, omnidirectional •Welded and polished 316L stainless-steel three-panel door (one sliding panel) to deckhouse •Poly-planar stereo speakers with volume control •Twin KVH domes on hardtop

Exterior

•Isophthalic gelcoat, interior layer, black •Isophthalic gelcoat, exterior layer, white •Blister resistant vinylester resin in hull bottom skin coat •Hull and superstructure, polyurethane coating, white •Polymer/copper based anti-fouling bottom paint, black •Boot stripe, polyurethane coating, black •Decks, non-skid surface, polyurethane white paint with polymeric beads •Solid fiberglass hull bottom •Hull sides and superstructure laminated with Divinycell core •Fiberglass stringers •Steel laminated in stringers at key locations to bolt engine mounts •Engine room bulkheads and decks of resin-infused composite construction using PVC foam core with layers of fiberglass laminate on each side

Optional Equipment

•Mini drop out clutch and throttle wing controls aft deck - portside •Oil changing system for engines, gears, and generators •Plexi mirrored ceiling in all heads •Amtico flooring in all heads •Air conditioning back up sea water pump •Sailor's cabin/crew quarters - aft of engine room •Sea ladder with storage brackets •Secondary fuel filter •Water delivery Kit •Cruisair Climate control on flybridge •(2) Generators, 21.5KW •Hand - held hot shower, aft deck •20" LCD TV bow stateroom •20" LCD TV port stateroom •Windlass 1700 upgrade to 300' 5/16 Acculoy hot dipped galvanized chain with deck mounted control switches •DC AM/FM stereo w/DVD player - bow stateroom •Propeller puller •Flybridge table with Hi - Lo pedestal •Table, aft deck •Custom decor •Special hard top with 4 side enclosure •Flybridge A/C

Recent Updates

2015 •Isolation Transformers by WARD Electric •Underwater Lights LED, by UWL •Tender Cover

2016 •New Stainless Steel Exhaust by Marine Exhaust •HD7 TRACVISION w/Receivers •Awlgrip painted TWIN Domes •WIFI booster •Marantz Powering salon sound system •New forward Seacrylic enclosure

Remarks

This spectacular yacht is set up for comfortable cruising anywhere! Just to mention a few of her upgrades and amenities that set her apart from the completion: Premier Décor Package, beautiful high gloss cherry wood finish, three stateroom, three head plus crew accommodations. Upgraded 3412E Caterpillar with only 680 hours since new, (2) Onan 21kw generators with less than 575 hours each. New HD7 Tracvision, TVs in every stateroom, crew, salon and galley, watermaker, underwater lights, 13' Nautica RIB tender w/60 HP Yamaha 4 stroke.

METICULOUSLY MAINTAINED TO THE HIGHEST STANDARDS BY HER ORIGINAL OWNER SINCE NEW. "CONQUEST "offered for the first time will not disappoint any discriminating buyer.

Exclusions

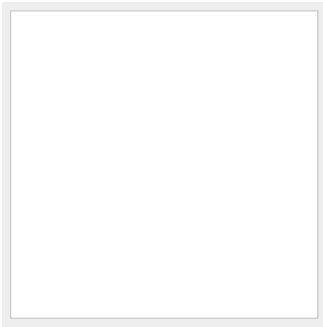

Owner's personal belongings.

Disclaimer

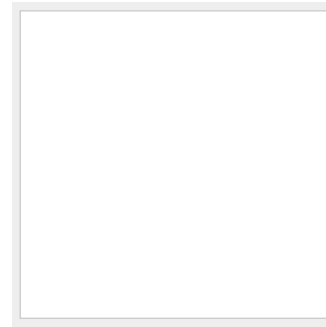

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated.
