Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

SAVANNAH

SAVANNAH has benefited from her only three owners and two captains. Offering a flexible and spacious layout with formal dining and expansive exterior areas, SAVANNAH is sure to please. Quality American craftsmanship, composite construction, ABS Classification and excellent equipment are all provided from this wonderful offering. Additionally, SAVANNAH enjoys a fantastic charter history.

Accommodations

Sleeps up to 10 Guests in 5 Staterooms plus up to 7 crew in 4 cabins.

Boarding from the large swim platform, molded stairs port and starboard lead to the expansive teak aft deck with bench seating aft, twin varnished teak dining tables on pedestals with additional teak chairs and a fully equipped L-shaped wet bar with custom Stainless bar stools; the ideal location for alfresco dining or enjoying libation after a day playing with SAVANNAH's many water toys. Molded stairs to port lead to the sundeck while access is also provided to the main salon.

The main salon offers a timeless blend of old world craftsmanship with modern fabrics, as directed by award winning designer Luis DeBasto, featuring American Cherry woodwork and generous windows allowing for maximum visibility to your surroundings. Occasional chairs, large sofa, coffee table and gaming table with chairs provides multiple seating groups while a full service bar along the forward bulkhead provides another conversation area while insuring no guest ever goes thirsty! Generous storage is found within the outboard cabinetry of the salon while the well- equipped entertainment center will keep both audiophiles and movie watchers happy.

The day head/powder room is forward to port, while moving forward from the salon along the starboard side leads to the guest accommodation stairwell, raised pilothouse and formal dining salon with the spacious galley immediately forward; port and starboard doors provide access to the forward side-decks. The galley Y features all the appliances, storage and counter space to please the most demanding Chef, while providing the service crew the necessary space to assist without interfering. A large banquette table with seating provides an intimate location for morning coffee or learning the latest cooking techniques from your chef. A stairwell forward to starboard leads down to the crew quarters with four separate crew cabins (2 of which are en-suite & 2 share a large bath).

The pilothouse provides all the latest electronics for safe and comfortable cruising in any weather or cruising location you plan to visit. Wonderful visibility, good storage and

an observation lounge will keep the Captain happy while providing the maximum level of safety to crew and guests alike. Steps leading to the sliding hatch allow access to the immense flying bridge/sundeck.

Stepping down the guest accommodations stairs gives access to the accommodations foyer. The master stateroom is forward, taking advantage of the yacht's full beam and providing a king pedestal berth, three hanging wardrobes and drawer storage throughout. Twin nightstands with sconce lighting, entertainment center and a seated vanity provide the most luxurious setting while His & Hers baths forward meet at the oversized, glass walled twin shower, while separate vanities with storage and sink and twin toilettes are surrounded by rich woodwork and Italian marbles.

To port off the foyer is a twin guest stateroom with two twin berths, nightstand, wardrobe storage and en-suite bath with shower, vanity with sink and storage and toilette.

Starboard of the foyer is a guest laundry center and a stateroom offering upper and lower bunk beds with wardrobe storage and en-suite bath with shower, vanity with sink and storage and toilette. There is optional joinery available that allows this area to be converted to a full laundry room with commercial rolling iron and storage, if desired.

Aft off the foyer is port and starboard guest staterooms, the port stateroom offering wardrobe storage twin nightstands and twin lower berths that may be joined to form a Queen berth when desired; the en-suite bath provides shower, vanity with sink and storage and toilette. The starboard stateroom offers a Queen berth with twin nightstands, wardrobe storage and en-suite bath providing shower, vanity with sink and storage and toilette.

The flying bridge/sundeck features port and starboard steering stations, full service wet bar and banquette dining fully protected from the elements by the custom Pipe welders top, while additional sun beds, jetted spa and tender storage allow sun worshippers plenty of space to soak up the tropical sun or relax while watching the stars at night.

Remarks

Savannah has just undergone a complete main engine overhaul. The interior carpeting and soft goods have been replaced in 2017. Managed and maintained by her experienced captain and crew, Savannah has enjoyed constant upgrades and care. Ideally suited for island cruising with her spacious layout and expansive exterior areas. Quality American craftsmanship, composite construction, ABS classification and her top shelf equipment list make Savannah a MUST SEE!

Exclusions

Detailed list of Exclusions provided upon request.

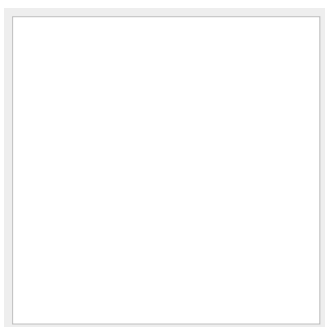

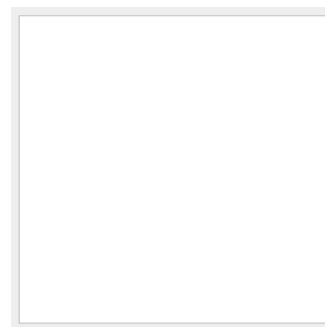

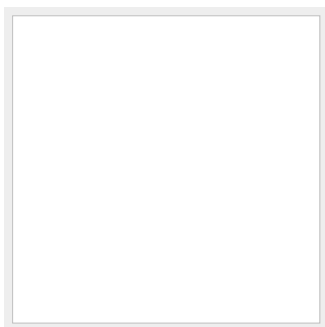

Exclusions

Owner's personal belongings.
