Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Epoxy Composite

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: 350FS

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Walkthrough

This is a Euro Styled Sport Yacht powered by a pair of 350hp Yamaha 4 stroke engines offering excellent cruise speed. A generous Cockpit for entertaining and easy entry through a aft transom door from the swim platform. The Hull was engineered specifically for the Yamaha Outboard Engine package featuring a sharp entry, 20 degree deadrise at the transom, traditional strakes, reverse chines and fully enclosed engines. While the detail and construction throughout is pure Pursuit, her styling is more modern. The sleek transom design, shearling, windshield framework, hardtop and hullside window detail define a vessel unlike any other on the market today.
