SPECIFICATIONS

Overview

Andaman Explorer is a 61M Norwegian Built coastguard Vessel converted into a Luxury Cruising Yacht. Built to Ice Class and maintained in RINA Class.

She has 10 generously sized suites all fitted with Cabin, separate lounge area and ensuite bathrooms.

Previously owned by an Italian family who owned the Carrara Marble Quarry the Vessel was lavishly outfitted with Carrara Marble throughout, including the Lounge and Dining rooms on the Main Deck.

She carries 2 Tenders on the Bridge Deck with 2 x 1.5 Tonnes Cranes for launch and retrieval. Aft of the Funnel the large open Deck was previously used as a touch and go Heli pad which could easily be reinstated.

Andaman Explorer has been through an extensive refit including the overhaul of both Main Engines, installation of 2 new 470kW Generators, 2 new water makers and completely over hauled Air-conditioning System.

The Bridge is loaded with Navigation and Communication equipment and routinely updated. She is fitted with a Refrigeration room, Air-conditioning room, work shop with tools + work benches, separate laundry and very decent sized crew accommodation.

Andaman Explorer is the ideal Vessel to take you cruising World Wide and is asking a very reasonable USD4,950,000.

Call or email for further information and photographs.
