DETAILED INFORMATION

Overview

"On A Roll" is a beautifully well maintained 2009 84 Hargrave. The interior boasts a very open salon and galley layout which sets this yacht apart from the rest. Accommodations include 4 guest staterooms with private ensuite heads and a separate crew quarters located aft. The exterior consists of large entertainment spaces to include an open flybridge, bow lounging area, and large aft deck and swim platform. This yacht is a must see and incredible value for those in search of a well maintained and incredibly clean motor yacht.

Salon

Entering the salon through the double automatic opening doors you are greeted by a very open space which is very unique to this yacht. There are no bulkheads obstructing views on this main deck from the entrance of the salon all the way forward to the galley. Designed for a very social atmosphere, this main deck layout is ideal for comfortably hosting family and guests and the feeling of being on a much larger yacht. To port is comfortable seating on the L-shaped sofa and chair. To starboard is a marble top bar that serves the main salon. Large windows bring natural light into the salon and great views of your yachting destinations. An electric lift TV raises when in use and lowers when not to keep maximum window visibility.

Galley

The galley on this 84 Hargrave is a must see for social yachting groups. The ceiling is raised from the teak and holly finished floors all the way up to the flybridge deck height. Windows overlooking the bow and up to the ceiling provide plentiful natural light bringing the outdoors inside amplifying great times on the water. The grand U-shaped marble counter space allows for easy serving to the country kitchen style large U-shaped dinette located forward, barstools at the counter, and all the way back to the salon. Above and facing forward is a 50" flat screen TV that is easily viewed from the dinette and whole galley area. Forward of the galley is access to the companionway and to both port and starboard are access doors to the full walk-around side decks. Also, the conveniently located day head is easily accessed from both the salon and galley area.

The galley appliances rival those found at home including:

- Sub-Zero Refrigeration and Freezer Drawers
- GE Profile 5-burner glass top range

- GE Profile oven
- GE Microwave Oven
- GE Profile dishwasher
- Stainless steel sink with garbage disposal
- Insta-hot dispenser
- GE Profile warming drawer
- Ample storage

Companionway

The companionway is accessed by a stairway from the main deck and separates the master and guest accommodations. It is well lit and well decorated. The companionway houses the separate washer and dryer unit.

Master Stateroom

The master stateroom is entered through large double doors. This stateroom is grand in size and has a large king sized berth in the middle. Large hull side windows allow for natural light and views of the water. To port is a vanity area with seating. Forward of the stateroom are separate his and her closets and aft is separate access to the his and her separated heads.

Master Stateroom Heads

The master stateroom has separate his and her heads that are connected by a beautiful marble walk through shower. Both his and her sides are finished in marble.

VIP Forward Stateroom

The VIP Stateroom is located forward of the companionway. This stateroom is very large in size offering guests maximum comfort as expected on a yacht of this caliber. This stateroom has a large centerline berth, plenty of storage with drawers and two hanging lockers and private ensuite head.

VIP Stateroom Head

The forward VIP Stateroom has its own private ensuite head that is luxuriously decorated with marble counter tops, marble flooring, and large walk in shower.

Starboard Stateroom

The starboard guest stateroom is well thought out offering two single berths that convert to one large berth depending on your guest situation. A port light offers views and natural light. This stateroom has its own private ensuite head.

Starboard Stateroom Head

The starboard stateroom guest head is finished in marble with marble countertops and flooring and beautiful fixtures to complement.

Port Stateroom

Like the starboard guest stateroom, the port guest stateroom also has converting berths to make the most comfort out of different guest situations. The berths can be two singles or make one large berth. Natural light and views come from the hull side port light. Like all of the other guest accommodations, this stateroom has its own private head.

Port Stateroom Head

The port stateroom head is also finished in marble and shiny fixtures like the other heads onboard allowing every guest to have a pleasurable experience onboard.

Lower Helm

The lower helm area is located starboard and is a wheelhouse accessed by a teak and stainless stairway offering a helm to operate the yacht from the interior. Further up the stairway is access to the flybridge.

Flybridge

The flybridge is prime real estate to entertain on an elevated and outdoor platform. The hardtop offers shade from the sun but also can be opened to allow some rays from the automatic retractable sunroof. The flybridge also has a helm area with three Stidd helm chairs and plenty of other comfortable seating. To port is a large bar with granite countertops, sink, refrigerator, ice maker and storage. The flybridge also stores the toys when underway and they are brought onto deck by the Quick Lift hydraulic davit.

Aft Deck Area

The aft deck area is another great place for owners and guest to entertain with a bar located to port and a large table with bench seating and teak chairs. To port and starboard are curved stairways down to the swim platform. There is also access to the flybridge from the aft deck form a stairway with teak covered steps.

Foredeck and Side Decks

The side decks go all the way around the yacht allowing crew easy docking and working lines. They also allow for more private access around the yacht if owner and guests are in the salon. The foredeck has a lounging area for another place to relax and enjoy.

Crew Quarters

The crew quarters are aft and accessed through the transom door. Engine room access is also through the crew quarters.
