## Overview

---

The moment you step aboard *Nutella*, the Sealine C48 one will be struck by breathtaking panoramic views that foster your sense of connection to the surrounding area. Walking through to the helm the same uninterrupted views continue to create a true sense of freedom. It is a feeling that continues throughout the vessel when you have options that include a large sunroof and Infinity sliding glass doors. Nutella, the C48 is Sealine's Hallmark build offering a loft-inspired lifestyle on the sea. This boat is perfect for day cruises or longer journey's alike.

Founded in 1972 Sealine is no stranger to boat building with over 500 employees at their new state of the art manufacturing facility in North Germany. In 2013 Sealine merged with Hansegroup who manufacturers a wide array of yachts in different sizes and class. The main focus at Sealine is practicality and space!
