## Overview

---

The 65 Viking Sport Cruisers / Princess Motoryacht ranks among the more impressive European cruising yachts of recent years. Beautifully styled and boasting an opulent cherrywood interior, she was a popular model for Viking with just the right blend of luxury, comfort, and performance. Available with four staterooms (crew quarters aft were optional), highlights include a spacious, split-level salon with Ultraleather seating and aft electric window, circular five-person dinette with cherry table, sunken galley with dishwasher, flybridge staircase, and an elevated lower helm with two chairs and a power deck door. There are four staterooms forward including an amidships master with walkaround queen berth, a VIP bow stateroom, and two guest staterooms with single berths. The aft guest stateroom/utility area also contains washer/dryer combo. The cockpit provides easy access to the lazarette and engine room. Topside, the flybridge features a hideaway electronics console, wet bar with refrigerator and grill, and U-shaped lounge seating. A good performer considering her size, her 1,050hp MANs cruise at 30 knots.

## Basic Information

---
