SPECIFICATIONS

Overview

The 28 Regulator is a powerful full-transom fishing machine with a flush cockpit, generous storage, and an aggressive deep-V hull with a sharp bow entry. The Armstrong bracket gives this 28 a bigger ride than her length. Arguably the top dog in her class (and the company's best-selling boat), the muscular styling, serious performance, and yacht-class fit and finish of the Regulator 28 put her in a league of her own. Standard features include cushioned front seats with fish boxes under, in-floor fishbox/rod storage (forward), anchor locker, folding rear seat, forward console cooler seat, transom livewell, leaning post with livewell and tackle center, recessed bow rails, Armstrong engine bracket, dive ladder, raw-water washdown, cockpit bolsters, transom fish box, glove box, and transom door. Note the well-flared bow and wide forward gunwales. The walk-in console contains a marine head, opening port, and standing headroom. A fiberglass T-top and deluxe livewell/tackle center are great options. Known for her exceptional open-water performance, twin 300hp Yamahas reach 50+ knots wide open.

Basic Information

Category: Center Console

Model Year: 2011

Year Built: 2011

Country: United States

Dimensions

LOA: 28' 0" (8.53m)

LOD: 27' 7" (8.41m)

Beam: 9' 5" (2.87m)

Min Draft: 2' 0" (0.61m)

Max Draft: 2' 8" (0.81m)

Speed, Capacities and Weight

Cruise Speed: 38 Kts. (44 MPH)
