DETAILED INFORMATION

Overview

This 2013 55' Viking BAD COMPANY EDITION is loaded with options and ready to fish immediately! Equipped with tuna tubes, Custom live bait well system, upgraded new SK9 Seakeeper gyro stabilizers, extra fuel, stairs to Flybridge, traditional tournament helm with single lever controls, designer decor, Capri Blue hull, teak cockpit, Custom PBT tower, extensive AME electronics including sonar, FLIR and (4) KEP 17" Bridge monitor displays.

Great opportunity to own one of the most customized 55' Viking on the market today!

Accommodations

Sleeps six owners and guests in three Staterooms for a total of six berths. One Master Head with shower, one Guest Head with shower. Enter the Salon - The Salon provides the feel of a much larger vessel with nearly 18' of beam and using every inch of space to its full potential. To port, the L-shaped lounge seating has storage underneath and is perfectly situated to view the large flat-screen TV. The TV also overlooks the spacious dinette area conveniently located opposite the Galley. Together these features provide an inviting interior ideal for relaxing and entertaining. The Galley is designed and located to serve the dinette and Main Salon areas. The custom countertops accent the teak cabinetry. The Galley island offers dual egress ways and houses the built-in Sub-Zero refrigeration and freezer units. Comfortable bar stools are useful and stylish. Large and deep storage offer maximum convenience and capacity and the sides of the cabinets and drawers are finished with teak and maple. The Galley also includes a microwave oven / convection oven, a three-burner, electric range and a garbage disposal. Down the Companionway is the Three-Stateroom, Two-Head Layout. The Companionway has access to the Staterooms and Guest Head. Also, the washer and dryer are conveniently complemented with a nearby linen locker. The Master Stateroom has a custom inner-spring mattress and private access to the private Master Head. The large walk-around berth has storage underneath and a custom upholstered headboard. Plenty of storage and space allow for long comfortable trips on board. The Master Stateroom Head is spacious and is privately accessed from the Master Stateroom. The Forward Guest Stateroom has the VIP crossover bunk configuration. This Stateroom is accessed from the Companionway and also has its own private access to the Guest Head. The Port Guest Stateroom features comfortable side-by-side berths with custom Viking mattresses and private access to the Guest Head. The Guest Head is located to port and has access from the Companionway as well as the forward and port Guest Staterooms and is decorated with custom wallpaper and Amtico flooring.

Salon

- Teak valances
- Clear ice maker
- Silhouette blinds

- Fresh water wash down at bow inside anchor locker
- Side mounted handrails that follow top of Salon window

Engine and Mechanical Equipment

The Delta-T Engine Room ventilation system incorporates supply and discharge fans for proper air supply and water intrusion suppression. A gauge package, plus remote engine start/stop switches, are accessible immediately inside the Engine Room access door. The centralized sea-water supply system saves weight and room. Valves and fittings are labeled, and chafe gear protects wiring and hoses where needed. Fiberglass Hill side fittings. In addition to high capacity bilge pumps, clean out pumps in the keel area, plus additional condensate pumps for the air conditioning and refrigeration systems help keep the bilge dry. All bilge areas are sealed with awlgrip coatings as are brass thru-hull fittings in the Engine Room, Lazarette and forward bilge areas.

- Twin 1550 hp. Diesel I/B 2016 MAN V-12's w/ 1700 hrs.
- **2000 Hour Service completed in 2018 by Ace Marine**
- Hot water heater
- DC bow thruster
- (2) Seakeeper M9000 Gyro Stabilizers
