SPECIFICATIONS

Overview

Launched in 2013 by **Dunya Yachts**, the **72M** M/Y AXIOMA is the result of the combined skill, expertise and talent of Diana Scott for the exterior lines and the legendary late Alberto Pinto for the interior. She features stunning exterior design and a beach house-style interior that contrasts natural woods and luxurious flourishes.

AXIOMA sleeps 12 guests in six cabins, as well as 20 crew. She features a superb 2-story salon atrium, an owner's deck with private terrace, main-deck infinity swimming pool and a 3D cinema below deck. Two of her five double cabins are convertible into twins.

The sun deck has lounging and intimate seating areas forward and a large spa pool surrounded by sun pads and a bar on the aft. The aft upper deck offers alfresco dining around a large round table.

The yacht also boasts a fully equipped gym, spa and steam room with panoramic views from the bridge deck.

She is MCA compliant and classified by the American Bureau of Shipping. Her maximum speed is 18 knots, and she has a range of 5,000 nautical miles at her cruise speed of 14 knots.

This striking superyacht is the largest motoryacht ever built in Turkey and the first from Dunya.
