DETAILED INFORMATION

Cockpit

- The cockpit is extremely spacious with teak throughout.
- The swim platform is hydraulic and equipped with chocks for a tender.
- There are multiple storage areas on the port and starboard sides.
- The crew quarters is accessed through the bench seat as well as a transom door from the swim platform.
- Engine access is through a large hatch in the cockpit sole.
- The battery switches are conveniently located on the starboard side as you enter the large sliding glass doors into the salon.
- A Fusion stereo remote controls the upgraded JL Audio system in the cockpit area.
- A molded, teak staircase leads up to the bridge on the port side of the cockpit.

Flybridge Helm

- The flybridge is also an expansive area with seating for 10+ and a large layout area aft.
- There is an outdoor galley unit to port with a sink, fridge and ice maker.
- There are JL speakers and subwoofers throughout the flybridge.
- LED lighting in the hard top lights up the area very well.
- 6 skylights also lend to a large amount of sunlight during the day.
- The upper helm is equipped with full Raymarine electronics, Xenta joystick, VHF, autopilot, searchlight and windlass controls.

Salon

- The salon is yet another large gathering area that boasts an L-shaped sofa to port and love seat to starboard.
- There is a 46-inch flatscreen equipped with a DVD player as well as SAT TV.
- Bose surround sound makes the viewing experience excellent on the flatscreen.
- 2 small steps lead up to the dining area to starboard just across from the large U-shaped galley to port.

Galley

- The galley is U-shaped with ample storage and beautiful granite counters.
- The hardwood flooring continues from the salon throughout the galley area.
- She is equipped with separate Isotherm fridge and Vitrefrigo freezer.
- Miele oven and 3 burner Miele cooktop.

- Large double basin, stainless steel Franke sink.
- Beautiful chrome fixture and separate filtered spout.

Lower Helm Station

- The beautiful, white leather Treben helm set is the first thing you will notice at the lower helm station.
- The moves up and down and forward and back electronically.
- She is equipped with twin Raymarine 15-inch hybrid touchscreen plotters.
- Raymarine sounder.
- Separate Raymarine autopilot control.
- Xenta joystick.
- Digital MAN gauges for each R6.
- Quick windlass control and chain counter.
- Jabsco searchlight.
- Trim tab control.
- Push-button start and stop for MAN engines.
- Electronic throttle control for MAN engines.
- To starboard is the digital display for the alarms and electrical status.

Master Stateroom

- As you make your way down the stairway, to port you have a combo washer and dryer unit.
- The master is full beam and boasts huge windows on the port and starboard side just above the waterline.
- The queen berth is easily accessed from both sides.
- To starboard is a large seating area complemented with a leather and wood table.
- There are 3 storage lockers and even more storage space in the master bath.
- The ambient lighting behind the leather wall panels gives the room a great touch.
- There is also a wall mounted LG flat screen and separate AC control for the master.
- The head has a separate stall shower, basin sink and plenty of storage room for extended trips.

VIP and Guest Staterooms

- Tons of natural light floods the VIP cabin with 6 small ports and an overhead hatch.
- There is yet another wall mounted flatscreen and separate AC controls for this area.
- The day head is also accessed by the VIP through an adjoining door.
- The guest stateroom is equipped with 2 twin berths.
- There is a large port for natural light in this room as well.
- Also equipped with a flatscreen and large locker for storage.

- The day head also has a separate stall shower and again plenty of storage for extended stays.

Main Engine

- 2 x MAN R6 800 hp
- Approximately 955 original hours
- Immaculate engine room
- The large space makes daily checks simple and allows for plenty of room to perform maintenance.
 - 2 x MAN R6 800 hp
 - Approximately 955 original hours
 - Immaculate engine room
 - The large space makes daily checks simple and allows for plenty of room to perform maintenance.

Generators

- 15 kW Kohler
- 20 kW Kohler
