DETAILED INFORMATION

Introduction

"Checked Out" is currently the newest and most highly maintained 65' Pacific Mariner on the market. No expense has been spared by her owner to keep her in true proper yacht condition throughout. Any prospective 65' Pacific Mariner buyer should not miss inspecting **"Checked Out"**, as her condition and value will stand out above all the rest! Full bottom service including paint, zincs, bow-thruster service, etc. as well as a full 4-part detail/wax job on the hull and topsides was completed as of 12/2017.

Accommodations

"Checked Out" features three owner & guest staterooms, each with ensuite baths. The crew quarters are aft with a custom queen berth and head.

Vessel Walkthrough

Upon boarding the vessel from the aft deck, which can be completely open or enclosed with a full Strataglass enclosure, you enter the salon from stainless steel framed sliding glass doors. The salon of "Checked Out" is both comfortable and elegant with beautiful satin finished cherry interior woodwork throughout. To port is an L-shaped sofa with storage below, and is complimented with a custom high gloss electric base coffee/dining table. To starboard are two occasional chairs with storage, and forward is the built-in entertainment center with wet bar and wine cooler in custom cabinetry. Going up 4 steps to the pilothouse level is the extremely spacious galley to port and a staircase leading up to the flybridge. To starboard is the custom buffet cabinetry for dish and serving ware storage. There is new cherry-planked flooring throughout the galley and pilothouse area. Forward of the galley is the comfortable forward facing L-shaped dining settee along with complete pilothouse lower helm station. There are port and starboard sliding doors for quick access to the walk-around side decks, and 2 full-size Stidd helm chairs. Forward to starboard is a wide semi-spiral staircase to the owner and guest accommodations. At the base of the steps is the combination day head/guest head. Moving forward is the VIP stateroom featuring a centerline queen bed and ensuite bath to starboard. Moving back aft to port is the guest stateroom with twin berths that have been custom designed to convert to a full king berth when preferred, and private entrance to head. All the way aft is the master stateroom with centerline king bed, ensuite bath, 2 large hanging lockers, a wall of drawers to port, and desk/storage area to starboard.

Aft Deck

The 65' Pacific Mariner has the most versatile and usable aft deck of any yacht in her size range. Through the port aft gate you easily step on to the large fiberglass swim platform with safety hoop railing and spacious Lazarette storage.

From the starboard end of the aft deck settee, you enter down a staircase to the crew's quarters, laundry center and engine room.

The full Strataglass enclosure offers complete weather protection or can easily be removed for a complete open-air aft deck.

- Sliding stainless steel glass door to salon
- Custom upholstered "Sunbrella" settee
- Custom high gloss teak table with stainless steel pedestals
- Custom teak chairs
- Stainless steel hand rails with safety gate
- Teak deck
- Flybridge, crew quarters, laundry, and engine room access
- Walk-around side decks
- In deck storage lockers
- Aft deck port side controls/docking station: Engine start/stop/thruster controls
