Fuel Type: Diesel

DETAILED INFORMATION

YACHT DESCRIPTION AND DETAILS

Aft Deck: Upon boarding the vessel, you will probably first notice the very classic look; including navy blue fabrics with white piping, crisp and classic trimmed throw pillows, and three Gloss Teak Murray Product five-position arm chairs. A large 33" x 108" Gloss Teak table is ornamented by Gloss Maitore square insets and cross-graining – and is large enough for the owners and six of their guests. Custom stainless steel child gates mimic the cross-pattern table design. 3" Teak planks with a 2" Teak border provide warmth and sophistication to Aft Deck. Along with a brilliantly hidden sink with foldable faucet hidden in the port side wing, a bar with U-Line Refrigerator and Ice Maker and plenty of storage allows for entertainment for any occasion.

Main Salon: A large comfortable Kravet Inverness custom sofa covered in a Robert Allen Alamonte-Winter White fabric sits on the port side upon entering. Forward of the sofa are two custom arm chairs in the same fabric with decorative nail heads and dressmaker's skirt. A pair of Barca- Abigail loungers covered in an embossed white woven leather are grouped on the starboard side with a set of silver and gold crackle nesting tables. A silver and gold finish cocktail table with glass top, but the star of the room is the Astoria Bergère chair with an ivory crackle finish with a hand loomed ivory linen crewel fabric with large blue magnolias. ivory Fabrica Meritage carpet, and various throw pillows in creams and blues create a comfortable yet sophisticated gathering area.

Forward of the Main Salon seating area, a round dining table mimics an overhead ceiling soffit with beautiful coffered style cross beams and a fabulous chandelier. The ceiling soffits in both the Dining Area and Main Salon consist of recessed ivory gloss panels with the coffered design. There is crown molding on the perimeter of the room and the soffits, compete with cove lighting that creates a dramatic affect for the large Main Salon.

In all four corners of the Main Salon are floor to ceiling cabinets. In the aft corners are angled cabinets with a 52" television and a full bar with a fabulous Hand Hammered Nickel bar sink and faucet. There is large storage above the bar counter top space and below for beverages and liquor. In the forward corners, spacious cabinets contain floor to ceiling shelves for all of your table top items, as well as a wine refrigerator. The huge windows are set off with impressive Fine Art sconces in a custom antique silver finish are mounted to alternating mullions, with frosted bowls on top to filter the light. The outboard dining Port and Starboard cabinets have an abundance of storage and have rich Emperadora Light Marble tops. A built-in forward cabinet with glass doors displays the Waterford family crystal. All of the cabinet hardware is satin nickel and the passage doors have a very special lever style of brushed nickel from Frascio- Haley door hardware.

Galley and Lower Helm: Forward of the Main Salon, you enter into the Galley and Lower Helm area. It is a surprisingly spacious layout with Brunette Granite counter tops and island for plating and preping. There is a wide expanse of windshield in front of the helm station. Stainless steel appliances throughout, navy blue and white fabrics, and Teak and Holly flooring provide a fresh feel to a classic interior. The cabinets are in a Gloss Cherry cross-grain pattern and have a Gloss Maitore square accent in the center; a design carried throughout the vessel. For the Captain's comfort, a Stidd helm chair swivels from the helm station to the Galley dinette of matching upholstery. There is a lot going on in this area, but it never feels crowded and you have to remind yourself you are on an 84' yacht, as it feels much larger.

Day Head: Just off the Galley is the Dayhead with an Emperadora Light marble vanity top. A hand blown glass custom made vessel sink with bits of platinum imbedded in it is the focal point. There is a Brushed Nickel/ Graff Bali single lever vessel faucet and is accented by corresponding brushed nickel bath accessories. There is a very special center-set beveled square mirror detail on the ceiling that is surrounded by additional beveled mirrors. A Perlato Suevo marble floor slab with decorative stainless steel tile inlays and a crisp ivory striped roman shade keeps the Dayhead feeling light and elegant.

Flybridge: From the Galley an enclosed staircase with curved treads leads up to the Flybridge. A large settee sits port side with two custom cocktail tables with angled stainless steel bases that rise for dining position. A single sun pad with lift up backrests sits directly next to the dual infrared Elag grills with hinged Stainless lined fiberglass tops. An curved marble top bar seats four and has all the various amenities including a customized stainless footrest, refrigerator, and ice maker, sink and of course lots of storage. The forward helm station has two Stidd chairs and a custom helm bench with unique roll-bar style backrest - allowing guests to sit facing forward or aft.

Bow: Whether you are lounging on the white and navy striped sun pad, relaxing on the white vinyl bench with whimsical nautical Sunbrella-Navigation Marine throw pillows, or sitting on the cushion-covered locker this is the ideal area for watching the open waters ahead.

Lower Foyer: As you enter the Lower Foyer from the Galley, a 24" diameter compass medallion with Perlato Suevo marble, Emperadora Light marble, and Blue Pearl granite greets you at the base of the stairs. An oversized beveled mirror with cabinet and marble countertop sits at the base of the stairs and opens the hallway to light. Perlato Suevo slabs with Emperadora Light borders run the length of the hallway with insets of corresponding ½ circle medallions at each of the four stateroom doors.

Master Stateroom: This large and spacious owner's suite is complete with a King size bed, dual outboard dressers, three closets including one walk-in with specialized storage bins and drawers, and a 52" television at the foot of the bed. Elegant ivory bedding, upholstered headboard wall, and lots of wall upholstery lighten the room.

Unique Mother of Pearl throw pillows and gorgeous Fine Art antique silver sconces are the final jewels to the elegant interior.

A spacious head with Perlato Suevo and Emperadora Light marbles creates a soothing transition from the ivory stateroom. Ivory window treatments and shower drapery soften the clean lines of the head. A frameless glass shower wall allows a full view of the large shower; equipped with all amenities including a Graff rain head, Waterpik handheld shower, Jado Ornate plumbing fixtures, and a Kohler steam shower system.

Port Guest Stateroom and Starboard Guest Stateroom: To visually create the illusion of enhanced space, both staterooms have a three-piece beveled mirror headboard wall with a low profile upholstered headboard below. When in twin positions, the beds are covered with a sophisticated Robert Allen- Mac Innes Ink fabric. Shams and neckrolls in a Ralph Lauren navy and white paisley print produce a sophisticated, clean feel for the twin beds. Both guest stateroom twin beds convert to queens and by doing so, have different bedspreads and throw pillows for this change. When in queen position, the bedspread changes to a comfortable golden spread in Robert Allen Sea Coral Champagne. Corresponding shams with silk latticework throw pillows and various trims add texture to the golden fabrics. A crisp roman shade in Robert Allen Juxtapose Champagne is the perfect selection for the room, whether the beds are in the navy or golden positions. The port hole provides tons of daylight and the gloss cherry cabinetry is stunning. Both guest heads have Perlato Suevo marble floor slabs creating a neutral backdrop for the unique stainless steel floor tile inlays. Gloss Cherry and mirror shoji screens, cross grain cabinetry details, and polished chrome Jado plumbing fixtures mimic the other heads.

VIP Guest Stateroom: The spacious VIP Guest Stateroom, usually secluded and accessed from a separate stairwell, is accessible from the same hallway and foyer as the other guest staterooms. Upon entering; an upholstered headboard wall, a cream colored velvet headboard, beautiful Bergamo Onda bedding in a quilted wave pattern, and back-lit shoji screens make this otherwise dim stateroom very bright and open. Fine Art Sconces above the nightstands and three euro shams in Cowtan and Tout's Minton Indigo fabric are the crown jewels of the room. There are dual closets and expansive counter space for your guests.

In the head, Perlato Suevo marble floor tiles with a 4" Emperadora Light marble floor border, as well as the Jado Ornate plumbing fixtures mimic the Master Head. The stateroom's shoji screens are repeated in the head with Gloss Cherry shoji framed mirrors and in the shower with frosted glass shoji screens. The repetition of shojis is easily observed through the frameless glass shower wall and door.

Lazarette / Captain & Crew Staterooms: This generous aft crew lounge area is complete with full-sized washer and dryer and plenty of storage. The Captain's Stateroom houses a queen size bed with upper cabinetry and flat screen television. Reading lights, a spacious nightstand, and full closet complete the stateroom.

In the head, no space was left unused. The large shower is a “Wow” for Captains and is equipped with Grohe chrome fixtures, a teak grate floor and a marble shower seat. The vanity, with its unique shape to cover necessary components of the vessel’s hull is fully functional and complete with storage. A folding, hinged mirror above vanity and large beveled mirror wall opens this space to light.
