DETAILED INFORMATION

Vessel Walkthrough

This very popular 38 Tiara Open features the plan B interior sleeping accommodations for up to 6 adults. The master stateroom forward features a centerline berth and abundant storage. The salon dinette is situated to starboard and features a L-shaped lounge with high gloss wood inlaid dinette table. This dinette converts to a berth. To port is another ultra-leather couch that also converts to an upper and lower berth with privacy curtain. The fully equipped galley features Corian countertops, side by side refrigerator/freezer, microwave and electric stove. Abundant storage includes a pantry below the salon flat screen TV.

Above deck is a standard Tiara layout with well-engineered helm to starboard with the ever popular curved companion seat to port. Protected by a Tiara Tournament Series Hardtop with custom enclosures. The composite, fiberglass windshield frame was introduced on this model and has become standard on all Tiara Opens. There is a wet bar with sink directly behind the helm seat and includes an icemaker. The Aft cockpit is huge and features a standard transom gate and fresh and saltwater wash-downs and fish boxes recessed in the cockpit sole. Powered by Cummins QSC 8.3 Litre 490hp diesels. Fishing amenities include a transom livewell, second livewell in the cockpit sole and a bait prep station with tackle drawers and bait freezer.

Salon
