DETAILED INFORMATION

Vessel Walkthrough

Stepping onto this 43' takes you from the swim platform the molded stairway to the aft deck first which is a nice area for entertaining and is large enough for the custom full size table and 4 chairs. The aft deck also comes with a wet bar and ice maker. Up three steps to the flybridge could be considered the main entertainment area, it has seating on both sides behind the three-place seat helm. From here you have Sidewalk decks that make it easy for anyone to access the huge sun pad and anchor on the bow.

Walking back down and into the interior of the 43 MY that measures 650 square feet, the impressive expanse of glass floods the salon with light and provide panoramic views finished in beautiful cherry. To starboard is a convertible sofa with a custom leaf table and two high back chairs and to port is another convertible settee and custom dinette table. The galley is forward and to starboard, equipped to dish up simple home cooking or an elaborate gourmet fare.

Sleeping accommodations create the utmost in privacy with the guest stateroom being forward that has a private entrance to the full size head and the private shower. The master stateroom sits aft of the salon and is light and airy with the berth to starboard and to port is a full length split suite head and shower configuration.

The engine room is accessed from the main salon and has plenty of room to work and access the rest of the mechanical areas easily.

Remarks

Very simply put, this 43 Silverton is a must see. A one owner 43' Silverton Motor Yacht bought new in 2005 that has had no expense spared to have her better for her next owner than the day she was delivered. Her upkeep has been phenomenal with an open checkbook to keep her Turn-Key ready!

Powered by twin Volvo TAMD-75 480hp and they look and run like new. Ollie does not sit unused, she has recently completed a round trip cruise to Maine and back. With

Yacht Controller installed, one person can easily handle her!

The list of upgrades completed in 2015 is extensive and include: Dual Band Yacht Controller, (3) new Vector Turbo AC units, new Side-Power 8.4hp bow thruster, new fire suppression system, (3) custom cocktail and dinette tables, new freshwater system and upgraded transmission coolers.

The open checkbook recent maintenance includes - freshly painted motors and a complete servicing (3/16), all shafts pulled and bearings/seals replaced where needed, bottom paint, heat exchangers pulled and cleaned, hoses replaced, all interior woodwork renewed and refinished, and a complete wax and detailing of entire boat 8/16.

Exclusions

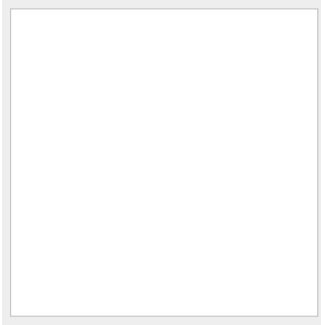

Owner's personal belongings.
