## Overview

---

Cleverly specified by an experienced owner and the High Latitudes team, Oyster 655, *Gundamain* was built with comfortable long distance and high latitude cruising in mind.

*Gundamain* has been lovingly looked after by the same professional crew ever since her launch in 2009. With extensive world and Arctic cruising under her belt she shows exceedingly well above and below decks.

Privately used to date she was built to MCA Class 2 for additional safety and for ease of future charter. She is well priced and lying in Oyster Palma for winter 2017/18. *Gundamain* is certainly worth a visit.
