Vessel Walkthrough

This stylish two stateroom flybridge cruiser has nearly 14 feet of beam and helps make this 34 a more spacious vessel than any of her competitors. The extra volume is especially noticed in the salon where designers were able to find room for a dinette in addition to an entertainment center aft and starboard side sofa. The large galley includes an upright refrigerator as well as Corian counters and generous storage. Forward, a large angled berth is found in the master stateroom, while the guest stateroom is fitted with bunk bed single berths. To save space, she features an innovative split head plan with a dry head and vanity to port and a separate stall shower to starboard. The interior is tastefully appointed with cherry cabinetry, vinyl overheads, and earth-tone fabrics. A transom door, wet bar, icemaker, tackle station, and in-deck fish box are featured in the cockpit. Molded access steps lead up to the flybridge which provides expansive seating for the captain, companion, and guests. This Silverton Convertible will get you there with comfort and style! She combines the best of cruising and fishing in one great package.
