Overview

Recent Hull and Mechanical Survey Completed. Owner says "Sell It " ~ Bring all offers and trades.

"Sea You Later" has 4 large staterooms with 6 berths and can easily accommodate 9 guests. The stateroom layout for guests is not the usual 4 cabins down a hall design. This yacht spent the extra money to have a very generous VIP forward with king bed entered via private staircase from the galley. The Master and two Guests are down a separate stairway with a large 58.73 square foot foyer. The staterooms and cabins are equipped with ensuite heads. Located aft are two crew cabins. The aft deck and salon are very spacious and beamy with a wide body design. The sky lounge is also very large and wide open.

DETAILED INFORMATION

Yacht Description

The 101' Hargrave has been the most popular layout and design of all of the Hargraves built to date. Featuring a large aft deck, a spacious salon and generous country kitchen as well as a wide flybridge. Sea You Later has four large staterooms with 6 berths which can easily accommodate 9 guests. The stateroom layout for guests is not the usual four cabins down a hall design. This yacht spent the extra money to have a very generous VIP forward with King Bed entered by private staircase from the galley. The Master and two Guests are down a separate stairway with a large 58.73 square foot foyer. Located aft, there are two crew cabins. The staterooms and cabins are equipped with en suite heads. The aft deck and salon are very spacious and beamy, with a wide design. The sky lounge is also very large and wide open, with a great aft bridge deck that has a hot tub and lounge area.

Aft Deck

This custom size teak table seats 10 comfortably. The center of the table has an inlaid design of a striking sunburst. The cushions are upholstered in a spa canvas with a bold contrast of cocoa piping. The accent pillows are casual and fun combining neutral tones within the stripe.

Main Salon

Comfortable sectional sofa that seats (9), upholstered in a truffle sculpted velvet with seamist and gold accent pillows. The main salon sectional sofa has a console forward of it that divides the dining space from the salon with an abundance of storeroom, as well as display for cherished china and bar essentials. On the port side of the salon a full entertainment center with a 50" HD/TV recessed in the cabinet face, great for entertaining. A custom bar that seats (3), with a honey amber onyx bar top that has LED back lighting which illuminates the space creating the overall ambiance. This salon is the perfect room for entertaining whether you are expecting an intimate group of guests or planning a large affair.

Dining

Dining area forward of main salon with seating for eight on a beautiful Star sapeli wood table. The chairs were custom built with the bookmatched wood supplied from the boat.

Galley

The Galley area is just off the Main Salon creating a private dinette area that is elevated with storage forward and below, seating (6). While still portraying the elegance of the yacht, this area has a casual flare embracing rich tones. Throughout the boat, the cabinetry is gloss Sapeli with counter tops in beautiful Makore Wave. The exquisite stone selection for the counter tops are Santa Cecelia granite. All of the appliances are stainless steel, and full size. The layout for this galley was designed especially for a chef that enjoys entertaining guest while stirring up delectable cuisine. Keeping in mind that every chef needs plenty of cookware and utensils, this layout more than accommodates the necessary storage space and includes a spacious walk-in pantry with shelving from floor to ceiling.

Day Head

Continuing the color palate of the main deck, this spacious day head is unique in design. Complete with a hand crafted Renaissance Glassworks Evergreen Vessel Style lavatory, mounted on top of a Gloss Sapeli "Cone" shaped vanity, accented with Kohler Vibrant French Gold plumbing fixture and accessories. Illuminated with handrubbed Antique Brass Openwork single wall hung sconces, that have Frosted Glass Shades. The Perlato Suevo marble slab flooring includes a 2" framed border of Emperadora Light marble surrounding an inlay of 2" x 2" Triangular Renaissance Glassworks Evergreen and Amber Glass Floor Tiles.

Skylounge

This well designed gathering space is designate for masculine appeal. Utilizing rich tones and leather upholstery we have created a warm and inviting room. Yet another fabulous space for entertaining guests with a full service bar that seats(3) or lounging on the settee while watching the retractable 42" HD/TV or joining the Captain at the helm in the two companion Stidd Chairs.

Skylounge Head

With convenient access to both the Skylounge and the Boat deck the intent of the design was an elegant transition. We selected Emperadora Light marble slab flooring, with a 4" perimeter border of Emperadora Dark marble to coordinate with the vanity counter top accented with Kohler Vibrant French Gold plumbing fixtures and accessories as well as a hand crafted Le Bijou Monaco lavatory sink base color Bone with Burnished Gold Reed and Burnished Platinum Ribbons.

Bridge Deck

This boat deck defines the ultimate cruising experience. Including a 68" Diameter Spa tub surrounded by a bench style settee, facilitating storage below accompanied by a walkup bar that seats (4) guests, optimizing the ability to engage in conversation at eye level, and adjacent a settee with seating for (6) and adjustable high/low tables for dining. Also includes a port side bar complete with refrigerator, Hoshizaki clear ice, and a Fire Magic drop in style grill with storage below and additional storage for propane tanks.

Bow Area

This area is perfect for lounging in the sun while watching the glistening of the waves from the forward settee, or tanning on the casually comfortable sun pad with neck roll that is upholstered in Lloyd Flanders Tide Surf Sunbrella fabric.

Lower Foyer

This area has an enclosed spiral stair case leading from the Main Salon to the Lower Deck with curved style steps and a Gloss Sapeli handrail. The flooring stone selections soften the area with contrasting shades of Emperadora Light and Perlato Suevo marble. These selections compliment the 24" Compass shaped medallion fabricated from marble stones such as Jet green, Verde green, Emperadora Light, and Rojo Alicante that is centrally located at the entrance of the Master suite. We have applied a gloss Sapeli chair rail around the perimeter of the space to enhance the details of this foyer. We incorporated clear mirrors with touch latch hardware for access to hidden storage above a curved face console between two floor to ceiling columns. This space includes a laundry closet that stores a stackable washer/dryer unit.

Master Stateroom

This large and spacious owner's suite is complete with a King size bed framed out with Gloss Makore Wave fluted columns with a clear mirror backdrop. The Makore Wave curved, trimmed headboard is upholstered in a Kravet Chenille Jubilee fabric and tufted with Polished Brass buttons. (2) Visual Comfort French Deco Horn HandRubbed antique brass wall hung lamps with linen shades, Dual nightstands with Perlato Suevo marble countertops, 32" HD/TV, (2) large walk-in closets, a full size dresser, a settee for (2) with storage space below and his/her luxurious bath with a common spacious shower in between, incorporating Rojo Alicante and Perlato Suevo stones.

Starboard Guest Stateroom

This Guest Stateroom room has (2) twin size beds that convert to a queen size berth, as well as a recessed Pullman that folds down maximizing floor space. To visually create the illusion of enhanced space, beveled mirrors were applied on the forward wall. The headboard is a Gloss Sapeli trim upholstered with a Kravet Chenille Jubilee. We have introduced neutral tones and accented with hues reminiscent of the ocean to flow with the overall scheme of the vessel. In the head, we selected Perlato Suevo and Emperdora Light marble stone for the floor space and vanity counter top. This head has a large shower with teak grate flooring, and generous storage space.

Port Guest Stateroom

The Port guest stateroom room was designed to be as extravagant as the Master and Forward VIP suites. A chair rail has been mounted around the perimeter of the room enhancing the overall flow of the space. Gloss Sapeli and Makore Wave wood finishes accents the island floral shams that create a vibrant yet sophisticated décor. The focal point of this spacious guest stateroom is the Barbara Barry inspired T-style headboard that is upholstered with an exclusive Kravet weave that has French Gold nail heads applied around the outer limits of the trim on the King sized bed. This stateroom has dual book shelf storage behind the night stands, a storage closet, and a dresser unit. In the head, we have incorporated another exquisite feature implementing a unique design in the shower. Perlato Suevo marble and yellow amber onyx stones were selected to accentuate this interior space.

Forward VIP Stateroom

The VIP Guest stateroom is privately accessed from the galley. This secluded, yet spacious guest stateroom has a king size bed surrounded by multiple storage closets and an entertainment unit with a built in HD/TV. The colors are gentle shades of aqua with hints of chocolate and crème. In the head, we have selected marble stones Emperadora light and Emperadora dark.

Lazarette and Crew

This generous crew lounge area is complete with a fully functional refrigerator, microwave, and an upright freezer. Easily accessible stackable washer and dryer unit, utility storage area with floor to ceiling cabinetry, heavy duty drawer capacity and counter work space. Private captain and crew staterooms that both have en suite heads with Emperadora light marble counter tops and shower seats as well as teak grate flooring in the showers.
