SPECIFICATIONS

Overview

'Avenger' is a long range Sport fish designed by the legendary Tom Fexas. The interior has 3 staterooms and living quarters that are much larger than her dimensions would have you believe. The exterior has all new electronics 2017, full new bridge enclosure 2017, new bottom paint, and complete exterior detail. Mechanically she just had full engine service, and has low hours. Avenger is in good condition, and offers availability of a recent owner survey to prospective new owner.
