SPECIFICATIONS

Overview

The Hatteras 50 convertible is striking and sleek, with a rakish stem and sweeping sheer. It's a beautiful example of well integrated naval architecture. The renowned Hatteras hull, as you would expect, is a modified-V design for a more stable ride in all sea conditions, with a double chine for dryer running in heavy seas. Hatteras knows you are going to be out there when the weather turns ugly. That's the real test of this beautiful boat!

HATTENUFF was extensively refurbished in 2003 with CAT C-18 engines and many interior updates. This is truly a 1991/2003 boat and shows very well, you will not be disappointed!

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 1991

Year Built: 1991

Country: United States

Dimensions

LOA: 50' 10" (15.49m)
