SPECIFICATIONS

Overview

The Oyster 625 is part of Oyster Marine's current model line, taking the place of the highly successful Oyster 62, of which 21 hulls were made.

Perhaps the most notable feature of the 625 series are the vertical "sea-scape" hull port windows. A concept derived from much larger superyachts, this feature creates an amazing view to the outside world from down below. The new hull design has a narrow entry with beam carried aft making for a fast, comfortable ride at sea with the buoyancy needed for a long-distance cruising load carrier.

On deck, sail systems are fully automated and operated from the helm, making a yacht that can be easily run as an owner-operator.

Below decks BANDIDO boasts four spacious cabins plus forepeak/workshop. The interior joinery is of white maple with rich, contrasting teak soles. Loaded with amenities, BANDIDO is a pleasure to be aboard for extended cruising.

Due to a change in owner's plans, BANDIDO is seriously for sale and represents a significant savings over new construction, without the wait.

Call for personal inspection.

Basic Information

Category: Deck Saloon

Sub Category: Cutter

Model Year: 2011

Year Built: 2011

Country: United States

Dimensions

LOA: 63' 5" (19.33mm)
