SPECIFICATIONS

Overview

The new generation 46 Ocean is a very agile fishing or cruising sport yacht. This well maintained and beautifully equipped Ocean has a bow thruster, A/C Bridge, Single lever controls, and a full electronics package. Caterpillar 3406E power with only 1100 hours make this a must see if you want a nice three state room, two head boat. The generator was replaced in 2015 with a new Cummins Onan and currently has only 58 hours on it. "Hammered Again" is one of the finest examples on the market today of Ocean's popular 46 Super sport. Her 3/2 layout with booth style dinette, spacious salon, and generous staterooms offer a lot for a boat this size. "Hammered Again" has received constant maintenance and is ready for your inspection.
