SPECIFICATIONS

Overview

The Phoenix can go over three days on its oversized battery bank, has a custom 50 hp aluminum rib dinghy, custom davit system, hot water boiler system for heat and hot water, remote controls and totally refurbished stem to stern with new wiring, pex plumbing, new paint, water makers, new 300 hp John Deere engines, etc. It is set up to untie and go explore to remote areas and be totally self-contained and easily handled by one person or a couple.

All systems were professionally designed and installed to current state-of-the-art standards. Exterior finishes and fabric show as new. This truly exceptional yacht needs to be seen to be appreciated.
