VESSEL WALKTHROUGH

Stepping aboard "Ollie" takes you from the swim platform to the molded stairway up to the spacious aft deck with a custom full size table ,4 chairs a wet bar and icemaker; a great area for entertaining. Three steps up to the flybridge - the main entertainment area- with seating on both sides behind the three place helm seat. From here there are "Sidewalk" decks for easy access to the huge sunpad and anchor on the bow.

Walking back down and into the 650 square feet interior, the impressive expanse of glass floods the salon with light and provides panoramic views. The interior is finished in beautiful cherry. A convertible sofa to starboard, along with a custom leaf table and two high back chairs. To port is another convertible settee and custom dinette table.

The galley is to starboard forward and equipped to prepare a modest snack to a gourmet diner.

Sleeping accommodations the utmost in privacy with the guest stateroom forward with a private entrance to the full size head and private shower. The master stateroom sits aft of the salon and is light and airy with the berth to starboard. To port is a full length split suite head and shower configuration.

The engine room is accessed from the main salon and has plenty of room to work and access the mechanical areas easily.

YACHT CONTROLLER

What separates "Ollie" from her sister ships is the Yacht Controller system found on few other 43 Silverton Motor Yachts. This system makes handling this vessel much easier for every Captain!

Yacht Controller is a wireless remote that is designed to allow the owner to have full control of the boat while on the bow or stern while backing into a slip or handling lines. Using this system significantly reduces the stress and uncertainty involved in tight quarters vessel maneuvering.

With Yacht Controller you will use your boat with confidence more frequently and get her in / out of your slip with confidence.

GUEST HEAD

CORIAN Countertops
