SPECIFICATIONS

Overview

Jefferson Yacht

1992 43' Marlago Sun Deck

Attention All "Loopers" we have here one of the best vessels you will find to complete America's Great Loop.

"For Loopers, Downtown Chicago bridge clearances must be considered. Mint Julep's vertical clearance is 19', with antennas down, but is 16'5" with its radar array removed (four bolts), allowing for easy clearance through Chicago."

This vessel has been upgraded with many very important items noted in the equipment list for the new owners to make your cruising experience easy and enjoyable. Please note that many were added during their vast cruising experiences as dictated for safety and comfort. Engines Engine 1: Engine Brand: Cummins Engine Type: Inboard Engine/Fuel Type: Diesel Engine 2: Engine Brand: Cummins Engine Type: Inboard Engine/Fuel Type: Diesel
