SPECIFICATIONS

Overview

After eighteen months of research and design, the 34XSF was born. The goal was to create a crossover between the fish-ability of a straight center console and the amenities of an express. This forward seating Sportfish is in a category all by itself, boasts the Scout stepped hull technology, as well as numerous other comforts, found only on luxury sport-fishers. This vessel is turn key and equipped with factory teak, underwater lights, Fusion stereo and 10 JL audio speakers and amp, Auto-pilot, AC in the cabin and at the helm, new batteries, and stainless steel Lewmar anchor. The engine service is current, the complete boat cover is always kept on. **New hull paint job (Flagship Blue.) February 2017 New bottom paint. February 2017 The engine's serviced and trim units replaced. February 2017**
