DETAILED INFORMATION

Accommodations

Aft is a stairway leading down to the after quarters. Adjacent to the steps is an enclosed storage space to starboard. At the base of the steps is a slider access to the head on the starboards side. Inboard forward is a counter with a sink. There is an enclosed storage space below and a medicine cabinet forward. Outboard is a hinged access to a large stand-up shower. Outboard is a marine toilet and above outboard is enclosed storage with an open shelf. There is a door aft which leads to the starboard stateroom. In the passageway to starboard is an access door to the stateroom. Forward outboard is a large hanging/storage locker. Aft inboard and outboard are single fore and aft berths with drawers below. Outboard is an open pigeonhole storage area with an open counter above. Adjacent to that on the port side is a door leading to the port stateroom. There is a single fore and aft berth inboard and outboard forward with a nightstand on center forward with drawers. There is an open counter above outboard. Aft outboard is hinged access door to hanging/storage locker. Aft is a hinged door leading to the head. Inboard is a counter with a sink with enclosed storage below and a medicine cabinet above that. Aft on center is the forward door leading to the stand-up shower.

Forward below are the quarters for the crew. Forward on center is a hinged access to the shower. On the forward bulkhead is a watertight hatch for access to the chain locker. Aft on the port side is a counter with a sink on center with enclosed storage below and outboard with an open shelf above. On the starboard side is a marine toilet mounted on a platform with enclosed storage outboard and an open counter above. Forward above on either side is a hinged access to storage. Aft on either side is a door leading to a stateroom. Aft on the port side in the stateroom forward is an enclosed hanging locker. Above is an escape hatch/skylight with a ladder on the inboard bulkhead. Aft outboard is a single berth with drawers below. There is access to the bilge area below. Aft is a door closing off the port stateroom. On the starboard side adjacent to the port stateroom is a starboard stateroom with an enclosed hanging locker forward. There is a ladder leading to the escape hatch/skylight on the inboard bulkhead. Aft outboard is an upper/lower berth with drawers below. Inboard is a chest of drawers.
