SPECIFICATIONS

Overview

This 2015 Viking 66 Convertible is loaded with upgrades and options, and she was spec'd by Galati Yacht Sales to be their in stock Viking Demo and now available as OUR TRADE. Built with Viking's latest technologies, this yacht includes Viking's performance package offering the most elite manufacturing technologies and products available. The upgraded engine package includes twin Caterpillar C32 engines 1925HP with CAT 360 Joystick. This system provides the ability for extreme maneuverability for close quarters or backing down on sportfish using the powerful Cat engines in conjunction with the upgraded hydraulic thruster all combined in the joystick control for extremely easy use.

This yacht also features a 4 stateroom layout with all ensuite heads and customized interior and decor. The forward stateroom is the center-lined island berth layout and there is also engine room access from the crew quarters head located aft. The 66 Convertible also includes a day head in the salon that is easily accessible from the salon area and close to the cockpit. The mezzanine seating includes ultraleather cushions and is air-conditioned for cooling comfort. Underneath the upgraded teak cockpit deck lies a Seakeeper SK 26 that allows for maximum roll reduction stability. Also in the cockpit are the upgraded removable tuna tubes in the transom providing a competitive edge whether fun-fishing or in an aggressive tournament series. Other upgraded and notable features include the Palm Beach Tower, custom Release Marine helm chairs, Davit on the bow, and extensive Atlantic Marine Electronics package.

Caterpillar Platinum Plus ESC until 2500 hours or until May of 2020
