DETAILED INFORMATION

Description

The Azimut Atlantis 50' model is the most versatile of the opens, recognized on the sea as an absolute masterpiece of the category. Technology and design mesh to fulfill wishes: open spaces and closed spaces to make room at all times for every personality, even the most eclectic and demanding. The cockpit captures your attention. It is connected to the swimplatform with two access points and oversized walkways. The lower deck surprises you, with a master cabin that has a central bed and an en-suite bathroom. Everything about this sport cruiser with an elegant soul conquers you. The vessel is powered by CAT C-9 with the Zeus pod drive system with easy dock and is extremely fuel efficient. Very Clean boat, with all maintenance up to date.

Engines

Cat's C-9 has 510-hp output, but with the addition of the ACERT technology is boosted up to 575-hp. This makes her a competitive engine in the mid range of boats using diesel power. This 8.8 L, inline 6 engine is turbocharged and after cooled and weighs 2,086 lbs. (946 kg.). If you are buying a new boat with diesels in the 500 to 600-hp range you need to carefully consider your options, and Caterpillar is a good one.

Exclusions

Owner's personal belongings.
