SPECIFICATIONS

Overview

"Kathryn B" is an one owner, outstanding, meticulously maintained vessel. Ordered with the preferable Yanmar 315, she shows owners pride everywhere you look. Log books and records from day one when she was new, all services up to date, new bottom, Awlgrip, etc, she is turn key and ready to cruise.

The Albin 30 Family Cruiser is designed to satisfy the diverse demands of today's boating family. Albin pioneered the Aft Cabin concept in the sixties and seventies with the famous Swedish built Albin 25. Later in the eighties they built a 27 aft cabin model. The 30 aft cabin offers roomy sleeping accommodations for 5 / 6 in separate quarters as well as improved performance. The forward cabin area has an enclosed marine head/ shower compartment, Eight opening S/S portholes and overhead hatch provide excellent ventilation to this area. There is a large storage well in the center of the cockpit. The well has a macerator and can be raised automatically if access is necessary. The aft cabin offers privacy for children or adults. It has 2 single berths which convert into a huge queen. The hull is designed with the North Sea in mind. The skeg keel protects the propeller and adds to the stability. The bow flair keeps the decks dryer. It comes standard with a bow thruster for easy dock side maneuvering. Her knowledgeable owners are moving out of cruising and offer her for sale.

Notable Features; Awlgripped Light Blue 2014 Yanmar 315 HP low hours.

Extensive records Split A/C system 2014 (Necessary to properly cool her)

New bottom paint and fuel tanks 2017 Raymarine plotter /radar and
