Manufacturer Provided Description The 270HT is a fully enclosed helm station built to provide protection from the elements for anglers who want to fish year round. This Cat shares the features, smooth ride and stable platform of the patented Vectorflo hull of our popular 270EC, adding a fiberglass hardtop, tempered glass windshield with center pop-up glass and sliding side panels, and a rear curtain of Sunbrella with Eisenglass windows. The cockpit includes an impressive array of fishing features and includes dual Captain's chairs as well as additional insulated storage space. Built to endure severe weather and sea conditions, the 270HT is the ultimate in style and functionality in deep water fishing boats.
