Overview

This 1991 22' Grady White Seafarer is in excellent condition!

The perfect boat for these waters.

The boat was a fresh water boat for over 24 years and spent most of that time on the hard.

The hull, deck and interior are in great shape. The engine was professional replaced in 2003 and has less than 100 hrs. To transport the boat the current owner has purchased a brand new 2016 Continental Dual axle trailer.

General Description

This Grady White 22 Seafarer is powered by a 2003 Mercruiser 5.7L 250 HP engine.

There is less than an 100 on the engine. 2 additional props are included with the boat.

The hull is in excellent condition for a vast majority of its life the boat has been on the hard in covered storage.

The exterior cushions for the bow, helm and aft seating are in great shape.

The interior cushions are very clean and comfortable. The portable toilet has the unique feature of a macerator.

The boat electronics include: Garmin Chart Plotter, VHF Radio, Jensen AM/FM/CD

Stereo System.

The vessel also has new bellow, dual batteries w/switch and trim tabs.

Broker's Note

This vessel impress the hell out of me. The condition of the total boat is just not seen in a 1991 boat. The engine and the hull would rival a boat 20+ years younger. The trailer is brand new and has only 3,200 miles on it.

If you are looking for an exceptional value you must see this boat.
