Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Upon entering the salon through the electric door you are immediately impressed by the interior size and craftsmanship that greets you. Attention to detail is evident throughout from the detailed trim work to the incorporation of the many tasteful decorative touches. The galley is loaded with amenities that would make traveling and feeding a big crew easy. The generous refrigeration and freezer options located on both sides of the galley and salon countertop are appreciable. Seating for four at the dinette table adds to space and comfort while at the dock or underway. Paul Mann and his craftsmen were one of the first to utilize an offset stairwell and companionway creating more space where it counts. To port, a comfortable VIP stateroom contains stack bunks generous storage space. To starboard a large guest head and shower is located just before the huge master is located to the starboard of the winding companionway. Bolstered vinyl wall covering and luxurious trim work throughout this master shares the feel of home. The large master head is just as impressive with a custom glass shower door, cherry wood sole and large surroundings. Back in the companionway, you will notice a large volume of storage in the cabinets that line the curved wall as you progress forward. The guest stateroom is located forward. There, you will find a large center berth flanked by two single hanging berths. Drawer and cabinet space is abundant throughout. A large closet space is customizable for a tackle locker or washer/dryer.

Salon / Galley

The salon is quite pleasing to the eye with beautiful cherry wood finish and trim. Large and comfortable with an L shaped white leather sofa to port. The sofa has storage within. To starboard is the main ship's service breaker panel behind stylish cabinetry. Also located to starboard is a swivel based reclining chair adjacent to a small library area. The 4 seat dinette is located to starboard. The salon is carpeted with a beige patterned Berber carpet where it transitions to a real cherry and holly sole in the galley and dinette area. The galley layout is very maneuverable and the countertops are dressed with a beautiful blue patterned Namibia Granite. Additional features of the salon and galley include:

- (2) 16000 BTU Ocean Marine reversible AC units
- Samsung 42 inch Color flat screen television
- Direct TV satellite television receiver
- Samsung blue ray DVD player
- Power backup and surge protection
- Pioneer Stereo

- Four Boston overhead speakers
- KVH Trac phone handset
- Icom M504 VHF
- GE Advantium Microwave/Convection oven
- 4 Burner touch top KitchenAid stove
- 2 drawer stack Sub Zero refrigerator/freezer
- Under counter Subzero Freezer
- Liquor Cabinet* U Line 24 pound ice maker
- Marvel multiple bottle wine cooler
- Salon side over/under Amana refrigeration
- Moen Decorator faucet
- Sink disposal

Master Stateroom

The impressively large master stateroom is perhaps one of the classiest designed to be found in a custom built sport fisherman. The cherry wood joinery and trim work surrounding the queen berth is simply stylish and provides an elegant appearance with wood columns framing the shape of the queen berth. A small but convenient make up table with a mirrored lift top and automatic lighting is well placed within the room. Drawers and cabinet space are abundant. The ensuite head and shower are quite spacious as well. Moen decorative faucets and a custom glass shower door add flavor to the decor. Other features of the master stateroom are:

- 12000 BTU Ocean Marine AC unit
- Cedar lined drawers
- Accent lighting
- 12 volt Fusion MS-IP600 AM/FM/iPod player
- 2 overhead Poly Planer Speakers
- Toshiba 18 inch wall mounted color television
- Direct TV satellite receiver
- Sony DVP-SR500H DVD player
- Storage under bed
- Carpeted floor in master stateroom
- Custom wood floor in head
- Headhunter toilet

Crew Stateroom

The crew stateroom is located to port at the beginning of the companionway. A set of over and under berths sleep two comfortably in a nicely sized living space. This area has plenty of cabinets and drawer space.

- 10000 BTU Ocean Marine AC unit
- Toshiba 15 inch Color Television
- Satellite television
- Cedar lined Drawers and hanging locker
- Storage over top berth

VIP Stateroom

The VIP stateroom is located forward and was designed to sleep a modest sized family. With a centerline queen berth flanked by twin hanging single berths this stateroom room is comfortably large. The cherry wood finish provides a look of luxury. There is a large closet space that once housed a washer/dryer. This space is empty at this time and could be finished into a custom tackle locker or returned to it's original use. The plumbing and electrical hookup are in place should it be needed again. The VIP stateroom has maximum storage space in it's many drawers and hanging locker.

- 12000 BTU Ocean Marine AC unit
- 15 inch Toshiba Flat Screen television
- Direct Satellite Receiver access
- Cedar lined drawers and hanging locker
- Carpeted floor

Engine Room & Mechanical

The engine room was designed for ease operation and includes many redundant features. This makes the "Rare Breed" an ideal world wide travel boat.
