SPECIFICATIONS

Overview

(LOCATION: Merritt Island FL) This 38' Carver 38 Santeago is one of the more spacious boats in her class. She features a large flybridge, open cockpit, large salon, and forward stateroom to insure room, comfort, and convenience.

On deck we start at the top with a flybridge with bimini top and full enclosure. The centerline helm station is aft with captain's chair at the helm. The helm is well equipped with a full complement of electronics. The bridge is large with guest seating on all sides, a walkway to the foredeck, and stairway below to the open cockpit. The cockpit is large enough for just about any endeavor from fishing to dining alfresco. There is a transom bench seat, transom doors, steps to swim platform, and sliding door to the salon.

The carpeted salon is bright and inviting. As you enter the salon you find a large u-shaped dinette to starboard. Across the salon there is a wraparound settee port side. The galley is amidships and features a full-sized refrigerator-freezer, three-burner range with oven, built-in microwave oven, and solid surface countertop with stainless steel sink. The forward stateroom features an island queen berth under-berth storage, two hanging lockers, and private access door to the head compartment. The head compartment has dual entrances, electric marine toilet, vanity with stainless steel sink, and shower stall. Both salon settee and dinette are convertible for extra sleeping accommodations when needed.

Rara Navis is powered by twin 300-hp FWC Crusader 454 engines with a top speed of 24 knots. Re-powered in 2016 she has only 30 hours on the new engines. Mechanical features include: generator, reverse cycle HVAC with digital controls, water heater, and automatic fire protection. She is roomy, is well equipped, well maintained and she is ready cruise. Call now for more information and to schedule a showing of this Carver Santeago.
