## Overview

---

The Serenity II is a truly one of a kind, a superyacht made unique by its extraordinary standards of luxury and excellence.

Built by Turkish superyacht yard Mengi-Yay in steel and aluminium to RINA class, SERENITY II was delivered in 2010. An interior by H2 Yacht Design features a range of exotic wood panelling, including macassar in the open-plan main saloon and dining area .

Designed with convenience, the spacious living room with adjacent bar ensures that you always feel at home on the water. The custom-designed furniture provides a classic, stylish feel that is subtly enhanced by the abundant natural light. The yacht features accommodation up to 12 guests in 6 spacious staterooms with main deck master suite with a study that can be converted into a further stateroom.

Her design reflects a height of excellence in both craftsmanship and layout .The large flybridge has plenty of space for sunbathing, a Jacuzzi, and a dining table, while the aft deck offers ample space and a table for alfresco dining. Twin 1,115hp Caterpillar engines give her a cruising speed of 12 knots. VAT fully paid.
